

CCAC / Pitt Connection Transfer Guide

**Office of Admissions and Financial Aid
University of Pittsburgh
10/21/2009**

Dear Prospective Transfer Student,

Greetings, and welcome to the online version of the **CCAC/Pitt Connection Transfer Guide**.

I hope that you find it to be a useful tool as you plan your academic program in anticipation of your successful transfer from CCAC to the University of Pittsburgh. I also encourage you to work closely with both your Transfer Counselor at CCAC and the Office of Admissions and Financial Aid at Pitt as you plan your coursework.

We look forward to your becoming a member of the University of Pittsburgh community and to working with you as you pursue your academic and professional goals.

Good luck with your studies, and remember to keep in touch as you progress toward your transfer to the University of Pittsburgh.

Best Wishes,

Colleen O'Neil
Transfer Counselor
Office of Admissions and Financial Aid

Using The Pitt Connection Transfer Guide

The **Pitt Connection Transfer Guide** is a resource designed to assist you with:

- **Planning** your CCAC coursework
- **Maximizing** the number of credits you can earn at CCAC
- **Learning** important information about academic requirements at Pitt

It is divided into several sections. First, you should familiarize yourself with the University's **General Transfer Policies**. Next, the **Bachelor of Arts and Bachelor of Sciences School of Arts and Sciences Degree Requirements** section includes a **worksheet** that you can use to keep track of the courses that you have completed that will satisfy those requirements at Pitt.

The section on **Transferable Courses** contains an alphabetical listing of all the community college courses that will transfer to Pitt. The CCAC course is listed in the first column, its Pitt equivalent (if one exists) is in the second and third columns, the number of credits it will transfer as is in the fourth column, and the specific Pitt graduation requirement (**Foundational Skills, Disciplinary Approaches, or Elective**) that it satisfies is in the fifth column. Use this section in conjunction with the **worksheet** to chart your progress.

There are also sections that include information about transfer to **the College of Business Administration, College of General Studies, and the Schools of Education, Engineering, Health and Rehabilitation Sciences, Information Sciences, Nursing, Pharmacy, and Social Work**.

IMPORTANT: The provisions and contents of this document are subject to change at any time at the University's sole discretion. It is intended to serve only as a general source of information about the University and is in no way intended to state or imply contractual terms.

School of Arts and Sciences

General Transfer Policies

The **School of Arts and Sciences** offers the degrees of Bachelor of Arts and Bachelor of Science. All natural science majors are awarded Bachelor of Science Degrees. If you complete a major outside the natural sciences, you will be awarded the Bachelor of Arts Degree.

GENERAL GUIDELINES FOR CREDIT TRANSFER TO Arts and Sciences: All credits available for transfer are subject to the following guidelines.

1. Only courses that have reasonable counterparts in the School of Arts and Sciences curriculum are eligible for transfer (see guideline 6 for exception).
2. The number of credits granted for a given course cannot exceed the number on the transcript from the school where they are earned, nor, usually, can it exceed the number earned in the corresponding course in the School of Arts and Sciences.
3. No transfer credits can be part of the final 30 required for a degree. These must be earned in residence. In interpreting this regulation, credits earned on regional campuses are considered as transfer.
4. All transfer credits must have been earned within 12 years of the date when the Arts and Sciences degree requirements will be completed.
5. All transfer credits are subject to re-evaluation if and when you transfer from one school to another within the University of Pittsburgh.
6. A maximum of 18 non-School of Arts and Sciences credits may be counted in the minimum of 120 required for graduation.
7. If another school at Pitt transfers a class, it can be transferred to Arts and Sciences in the non-AS category. A minimum of 18 credits in this category can count towards graduation.
8. At least 50 percent of the credits required in your major subject must be earned in Arts and Sciences
9. Not more than 60 credits may be transferred from a two-year college. No more than 90 may be transferred from a four-year college. If 60 or more credits have been earned at a four-year school, no transfer credit will be granted for credits earned subsequently at a two-year school.
10. If a course for which advanced-standing credit has been granted is repeated, the advanced-standing credit is canceled.
11. Course work earned in approved foreign study programs may not constitute more than 15 of the final 30 credits. These credits are awarded on a Satisfactory/Audit basis. In addition, 30 of the last 60 credits must be earned in residence.

CLEP: CLEP (Credit for Life Experience) credits do not transfer to the School of Arts and Sciences; however, if you feel you could pass a test in a certain subject for credit, consider **Credit by Examination**. With **Credit by Examination**, students may earn credits toward graduation by taking a special examination. Each test for credit by examination must be arranged with the department offering the course for which credit is desired. The examination must be in a specific course offered by the Faculty of Arts and Sciences. Departments set their own policies as to the specific courses for which students may request credit by examination, the time and type of examination, and the number of courses among those required for the major for which credit may be earned for examination. Normally, the examinations are administered in September.

GUIDELINES AND SUGGESTIONS FOR STRUCTURING YOUR CURRICULUM:

The structure of a degree from Arts and Sciences varies depending on your major and how many classes you need to take to fulfill skills and graduation requirements. Typically, Skills and General Education requirements fill from 51 to 68 of the 120 credits required for a degree, and your major, from 30 to 82 credits.

If you wish to transfer to the School of Arts and Sciences at Pitt in the future, we suggest that you concentrate on the following at your present college:

1. Satisfy the Skills requirements, i.e., Composition, Algebra, Foreign Language (algebra and general writing **MUST** be completed before transfer to Arts and Sciences)
2. Begin taking comparable courses to meet the General Education Requirements.
3. Begin taking the introductory courses in your expected major.

Bachelor of Arts and Bachelor of Science Arts and Sciences Degree Requirements

The faculty of the School of Arts and Sciences has defined a set of curricular requirements to be satisfied by all Arts and Sciences students. These requirements, which form the foundation of a liberal arts education, are of two types: Foundational Skills and Disciplinary Approaches.

A. FOUNDATIONAL SKILLS REQUIREMENTS: These requirements assist students in developing the skills in writing and quantitative reasoning that provide the foundation for future learning. (Minimum 6 credits)

1. Writing Requirements:

The writing requirement consists of:

- a. Basic Writing _____
- b. Seminar in Composition _____
- c. Writing Intensive courses (2): The W-courses involve a significant amount of writing and are taken by students after they have completed the General Writing requirement. Community College students should take them after they transfer to CAS.

2. Quantitative and Formal Reasoning

- a. Algebra _____
- b. Quantitative _____

B. Disciplinary Approaches (46 Credits)

1. Humanities Requirements:

- a. First Level Literature: _____
- b. First-level Music or Art: _____
- c. Creative Expression/Second Level Literature or Art:

- d. Philosophy: _____

2. Social Science Requirements

- a. Social Science: _____
- b. History: _____

3. Natural Science Requirements: Three courses in the natural sciences that introduce students to scientific principles and concepts. Students must take courses from at least two different departments.

- a. Course one: _____
- b. Course two: _____
- c. Course three: _____

4. Global Citizenship Requirement

Foreign Language (Two-term sequence of the same language)

- a. Level One _____
- b. Level Two _____

All Arts and Sciences students are required to demonstrate elementary proficiency in a foreign language in one of the following ways:

- a. Three years of study of a single foreign language in high school, passed with an average grade of C or better over three years.
- b. A score of 450 or better on a CEEB foreign language achievement test. Students should notify the Dean's Office if they qualify for this option.
- c. Completion of the first and second levels of a foreign language at the University of Pittsburgh with minimum grades of C-.
- d. Completion of a second level foreign language course earned at another college with a grade of C or better.

Foreign Culture/International Courses

There are three categories: Regional (R), Comparative (C) and Global (G). At least two of the three categories must be covered with (a), (b), and (c). Category (d) must be a non-western (NW) course, which may overlap with another general education requirement.

a. _____

b. _____

c. _____

d. _____ (Non-Western).

College of Business Administration

The **College of Business Administration (CBA)** awards the Bachelor of Science in Business Administration (BSBA) degree with majors in:

- Accounting
- Finance
- General Management
- Global Management
- Marketing

CBA is the undergraduate division the Katz Graduate School of Business and is fully accredited by the Association to Advance Collegiate Schools of Business (AACSB International), the premier accrediting body for business programs. *US News and World Report* has consistently ranked CBA in the top 10% of accredited business programs.

Transfer Admission to CBA

Admission is available for the Fall, Spring, and Summer Terms on a rolling basis. To ensure full consideration, please apply as early as possible. The BSBA Program may be completed full-time or part-time, in the daytime or evening.

Students may elect to apply for transfer to CBA after completing carefully selected prerequisites.

In addition, CBA and CCAC have entered into a formal **articulation agreement** that allows students to earn their associate's degree from CCAC and, provided certain requirements are met, make a smooth transition to CBA.

For students NOT following the Articulation Agreement, it is recommended that you consider transferring to CBA after completing approximately 30-45 credits. Among those credits should be:

- Business Calculus
- Introductory Microeconomic Theory
- Introductory Macroeconomic Theory
- English Composition I
- Introduction to Psychology
- Financial and Managerial Accounting

You should also include courses from the Humanities, Natural Sciences, and Social Sciences listed further on in the CCAC/CBA Articulation Agreement. Please feel free to consult with CBA Admissions at (412) 383-9600, or visit the CBA website at www.cba.pitt.edu for suggestions.

When scheduling, remember...

- You must earn a grade of "C" or better in a course for it to transfer.
- You may need to take other math and/or English courses before taking the required calculus and composition courses. In particular, given that you may need to take several math courses prior to taking calculus, we suggest you begin taking math courses early (preferably in your first semester). Your performance in math coursework will be an important factor in the Admissions process. See your advisor for details.
- If you haven't already fulfilled CBA's foreign language requirement with high school coursework, you may complete it before transferring to Pitt.

- Because of additional requirements in foreign language and study abroad, students pursuing CBA's global management major are advised to plan for transfer to CBA relatively early on, after 30-45 credits for example. Students are encouraged to begin foreign language study while at the community college and to contact CBA Admissions about planning for this major. Completion of the global management major is likely to require 5-6 semesters of enrollment at CBA.

**Articulation Agreement between
Community College of Allegheny County
and
University of Pittsburgh
College of Business Administration**

The Community College of Allegheny County (CCAC) and the College of Business Administration (CBA) at the University of Pittsburgh recognize the need and importance of facilitating the transfer of students from one institution to the other as they pursue their educational goals. In an effort to ensure that transfer students be treated on an equal basis, and to make the full resources of both institutions available to the students, the colleges enter into the following articulation agreement. *(Students still have the option to apply to transfer prior to completing an associates degree; please see the information listed earlier for students NOT following the Articulation Agreement).*

University Parallel Program - Associate in Science (Business, 004)

Upon completion of the **CCAC/CBA Parallel Program** specified in this document, a student may expect the following:

1. To earn the Associate of Science (Business) degree from CCAC.
2. To be guaranteed admission to the College of Business Administration provided that:
 - an overall quality point average of 3.00 on a 4.00 scale has been attained at CCAC in the CCAC/CBA Parallel Program coursework; and,
 - a 3.00 quality point average has been attained in nine key courses noted in the CCAC/CBA Parallel Program.

Important Note: students who meet the requirements above are guaranteed admission to CBA. All others (those with lower grade point averages and/or fewer credits) are still eligible to apply for transfer admission. Admissions decisions will be made after an individual review of each student's record. Although students are encouraged to complete the Associate Degree at CCAC, it is not required for admission to CBA.

3. To have the courses specified in the CCAC/CBA Parallel Program accepted for transfer by the College of Business Administration. To transfer, all courses must be completed with a grade of C or better.
4. To have all of the courses that are accepted by the College of Business Administration applied to the attainment of the Bachelor of Science in Business Administration (BSBA) degree, thus resulting in the student receiving 59-60 credits and junior status in CBA.

Student Services

Students transferring from the Community College of Allegheny County to the University of Pittsburgh will be treated on an equal basis with other University of Pittsburgh students with regard to the awarding and distribution of financial aid, campus housing, selection of courses and other student services.

Admissions Process

Students who are pursuing the CCAC Associate in Science (Business) and the CCAC/CBA Parallel Program will follow the academic program specified in this document. Once complete, the student will complete the University of Pittsburgh Transfer Application, and submit it, along with all required official academic transcripts and documents to the University of Pittsburgh. (Complete instructions for transfer application are included in the application booklet or on-line at www.oafa.pitt.edu. The booklet may be obtained from either CCAC or CBA.) Provided that the student has met the requirements specified earlier, he/she will be accepted into the College of Business Administration at the junior level.

BUS 104 Principles of Marketing+	3	BUSMKT 1040 Introduction to Marketing	3
Second foreign language course*	3	Foreign language course	3
Minimum Credits to Graduate	65-68	Transferring Credits	59-60

+For guaranteed admission, an overall average of 3.00/4.00 must be attained. Also, for guaranteed admission, a 3.00 average must be attained in 9 designated courses (shown above+). Also note that CBA will calculate the average in the 9 designated courses without including the effect of course repeats. The original grade earned will be considered for admission. To transfer, a course must be completed with a grade of C or better.

*The humanities elective requirement provides an opportunity for students who need to fulfill the CBA foreign language requirement to begin doing so. CBA's language requirement is fulfilled by 3 years of the same language completed at the high school level or two semesters of the same language taken at the college level. If you need to complete this requirement, it is a good idea to do so at CCAC. You may count the first semester of the foreign language sequence as your humanities elective and the second semester as one of your major concentration courses.

CCAC/CBA Parallel Program Approved Electives

The following CCAC courses are approved to meet the Humanities, Science, and Social Science Elective Requirements specified in the CCAC/CBA Parallel Program. All courses are worth three credits, unless otherwise noted.

Humanities Elective

This requirement is met by taking one of the courses below.

<p>English Literature ENG 200 Dramatic Literature ENG 201 Poetry ENG 202 Fiction ENG 203 English Literature to the Eighteenth Century ENG 204 English Literature from the Eighteenth Century to the Present ENG 205 American Literature to the Civil War ENG 206 American Literature from the Civil War to the Present ENG 207 African American Literature ENG 209 World Literature to 1650 ENG 210 World Literature from 1650 ENG 222 Shakespeare's Plays ENG 272 Seminar in British Theatre THE 101 Introduction to Theatre</p>	<p>Foreign Language FRE 101 Elementary French 1 FRE 102 Elementary French 2 GER 101 Elementary German 1 GER 102 Elementary German 2 ITA 101 Elementary Italian 1 ITA 102 Elementary Italian 2 RUS 101 Elementary Russian 1 RUS 102 Elementary Russian 2 SPA 101 Elementary Spanish 1 SPA 102 Elementary Spanish 2</p>

College of General Studies

The **College of General Studies (CGS)** offers a variety of options leading to a Bachelor of Arts or Bachelor of Science degree. Majors in Administration of Justice*, Health Services*, Humanities, Legal Studies, Liberal Studies, Media and Professional Communications, Natural Sciences, Public Service*, and Social Sciences are offered directly by CGS. Administration of Justice, Humanities and Social Services majors are also available on Saturday. Transfer credit agreements have been established for the majors indicated with an asterisk (*) above; these agreements are available from Community College of Allegheny County (CCAC) transfer counselors or from the College of General Studies.

Students interested in an Arts and Sciences majors in Chemistry, Communications, Computer Science, Economics, English Literature, English Writing, History, History of Art and Architecture, Mathematics, Philosophy, Political Science, Psychology, or Sociology can begin their studies in the College of General Studies, complete requirements for the degree in the evening or Saturday, and apply for graduation from the School of Arts and Sciences (SAS).

Students can also complete prerequisite courses through CGS and apply for admission to one of seven other University programs: Business Administration, Engineering, Health and Rehabilitation Sciences, Information Sciences, Nursing, Pharmacy, and Social Work.

CGS is located on the 4th floor of the Cathedral of Learning. Our phone number is (412) 624-6600, fax number is (412) 624-3836, and email address is **cgs@pitt.edu**.

Requirements for the Degree

Listed below are the requirements for the bachelor's degree in the College of General Studies, and the CCAC courses, which can be used to fulfill these requirements. Students wishing to see a more expanded listing should consult the CCAC/CGS transfer information listed at <http://www.cgspitt.org/prospective-students.cfm>. Articulation agreements and other important information are also listed.

Skills

Oral Communication:

CCAC course equivalent: SPH 101 Oral Communication

Writing:

Choose two courses

Courses may also be taken at CCAC to fulfill CGS major requirements and transferred courses not used in the categories above may be used as electives. A maximum of 60 credits, graded C or better, are eligible for transfer; if CLEP credits are used, a combination of CLEP and CCAC credits cannot exceed 60. *Official CLEP scores must be submitted.

Major Programs in CGS

Multi-disciplinary majors

Say you're interested in history, but you want a broader major that also includes legal studies and political science. With a multi-disciplinary major, you can study a general area instead of a specific major. Instead of drawing your major courses from one department, you can choose courses from three departments within the central theme.

Multidiscipline programs give students more control and more choices in the courses they take to complete their major. They also allow you to gain several points of view regarding a central subject matter. To satisfy each of these programs students can choose courses from departments within the central theme, with one of the departments representing a majority of the coursework.

Multi-disciplinary majors:

Humanities (BA)

Choose courses from three of the following departments: Africana studies, classics, communication, English, German, history of art and architecture, linguistics, music, philosophy, religious studies, Spanish, studio arts, theatre arts.

Pre-education Option - This major can incorporate all of the prerequisite coursework needed for admission into the certificate program in Comprehensive English Education in Pitt's School of Education. This option may be used by students interested in the Professional Year or the Master of Arts in teaching programs offered in the School of Education. Completion of the prerequisites does not guarantee acceptance.

Legal Studies (BA)

This interdisciplinary course of study combines the theories and methods of several social science disciplines and law. It is not designed as a pre-law program; its goal is to enable you to develop an understanding of the nature, content, and operation of American law and legal institutions. Courses in the legal studies major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). Participating faculty members include attorneys practicing in fields of

law ranging from criminal prosecution and defense, to environmental law, consumer law, and family law.

Students with QPA of 3.5 or better planning to pursue graduate work may want to consider one of the following early admission options. To students who qualify, the Graduate School of Public and International Affairs offers the five-year [BA/MA program](#). Students pursuing a Legal Studies major may obtain the Master of Studies in Law (MSL) degree in a joint program in which credits obtained in the MSL program also count toward the bachelor's degree.

Liberal Studies (BA)/School of Education Certification Program

The College of General Studies and the School of Education have collaborated on a curriculum under the liberal studies program that incorporates all of the prerequisite coursework needed for admission into the Instructional 1 Certification programs in Early Childhood Education and Elementary Education . These options may be used by students interested in the Professional Year or the Master of Arts in Teaching programs offered in the School of Education. Completion of the prerequisites for the School of Education does not guarantee acceptance to their programs. See an academic advisor for specific requirements.

Natural Sciences (BS)

Choose courses from three of the following departments: anthropology, astronomy, biological sciences, chemistry, geology and planetary science, history and philosophy of science, neuroscience, physics, psychology.

Pre Education Option - This major can incorporate all of the prerequisite coursework needed for admission into the certificate programs in Earth and Space Science and General Science. This option may be used by students interested in the Professional Year or the Master of Arts in teaching programs offered in the School of Education. Completion of the prerequisites does not guarantee acceptance.

Pre-Medicine Option - This natural sciences concentration incorporates the course work needed for admission to most medical and dental programs. Completion does not guarantee acceptance into graduate study.

Self-Designed (BA or BS)

The Self-Designed major enables highly motivated nontraditional students to pursue a unique program of studies for compelling professional or academic reasons. The self-designed major must be multidisciplinary, including courses from more than two departments or schools. It must have the same academic quality as existing CGS majors, and it must be substantially different from CGS majors. **Faculty approval is required.**

Social Sciences (BA)

This major can be customized to meet your personal interests and career goals. Choose courses from three of the following departments: Africana studies, anthropology, economics, history, Jewish studies, legal studies, political science, psychology, religious studies, sociology, urban studies, women's studies.

Professional Majors

In addition to the multidisciplinary programs that are available, the College of General Studies offers professional major programs. Although these are still liberal arts majors, they are more specific in nature and are tailored to a particular course of study or career. For each of these programs, a minimum of at least 30 credits is required in the specific discipline

Professional Majors:

Administration of Justice (BA)

Develop your understanding of the evolution, theory, structure, functioning, and process of change in the system of American criminal justice. Choose one of these three specialized areas: Adult and Juvenile Corrections, Law Enforcement Practice, or Forensics. Courses in the administration of justice major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). Participating faculty members include attorneys, prison administrators, judges, law enforcement officials, and criminal justice researchers. GSPIA also offers a five-year [BA/MA program](#) to students who qualify.

Dental Hygiene (BS *degree completion only)

If you have graduated from an accredited dental hygiene program, this major provides you with the opportunity to complete a Bachelor of Science degree. [Articulation Agreements](#) have been established between the College of General Studies and the Dental Hygiene Certificate Program with five area community colleges for degree completion for licensed dental hygienists.

Health Services (BA)

Our Health Services major is designed to build communication, management, analytical, and leadership skills, while relating all to the health services field. You can choose one of two tracks in this interdisciplinary course of study:

Managing Health Services Programs and Projects gives students key administrative and business skills with an emphasis on grant and research project management.

Community Health Assessment provides an understanding of the physical, social, and behavioral factors influencing health.

Health Services (BS)

This major is for health professionals who have completed professional training and would now like to earn a Bachelor of Science degree. Recognition for the professional training you received, including specific transfer credit agreements with community colleges, provide the foundation of your degree.

Media and Professional Communications (BA)

This major features a dual emphasis on providing students with a rigorous education in the theories of mass media process, history, and ethics, as well as the opportunity to specialize in one of three professional practice areas: Corporate/Community Relations, Writing for the Professions, or Digital Media. The three tracks are designed to strengthen both the knowledge base and proficiencies of students pursuing careers in communications fields, such as print, television, radio, film, new media, or corporate/organizational communications. This program will also benefit students pursuing careers in a variety of industries in which communication with internal and external publics is critical.

Public Services (BA)

This major prepares students for careers that are focused on the resolution of public problems or the delivery of public services at the local, state, national, or international level. Students take a common core and then choose one of three concentration areas: Public Administration, Nonprofit Management, or a self-designed concentration. Courses in the Public Service major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). GSPIA also offers a five-year [BA/MA program](#) to students who qualify.

School of Education

Applied Developmental Psychology

The Bachelor of Science in Applied Developmental Psychology is offered through the School of Education. Entrance to the program is at the junior year level, Fall Term, full or part-time, after earning a minimum of 60 college semester credits, including the following prerequisite classes:

Prerequisites:

- English Composition (equivalent to the University of Pittsburgh general writing requirement) - 3 cr.
- Developmental Psychology (or equivalent) - 3 cr.
- Other courses broadly distributed in humanities, social sciences, and natural sciences.

For more information, please visit the Applied Developmental Psychology website at <http://www.education.pitt.edu/adp/index.aspx> or call 412-624-0306.

Health and Physical Activity

The Bachelor of Science in Health and Physical Activities offers two areas of specialization – Exercise Science and Wellness. Students can enter these School of Education programs at the junior year level, Fall Term, full or part-time, after earning a minimum of 60 college semester credits, including the following prerequisite classes:

Prerequisites:

- English Composition (equivalent to the University of Pittsburgh general writing requirement) - 3 cr.
- First level Biology, Chemistry, Physics and Introduction to Psychology or three of these four
- Other courses broadly distributed in humanities, social sciences, and natural sciences.

For more information, you may visit the website at <http://www.education.pitt.edu/hpaprogram/> or call (412) 648-8320.

Teacher certification for elementary and secondary education are post-baccalaureate programs that are completed in the **School of Education** in the fifth year, or after the

student earns his or her bachelor's degree from the College of Arts and Sciences or from another accredited institution. A Master of Arts in Teaching (MAT) option is also available.

An Education advisor can augment the work of the advisor in your major by recommending courses that fulfill both general CAS requirements and prerequisites for the teaching program. The advisor in Education can also evaluate transcripts from other schools for students hoping to transfer to the University of Pittsburgh.

For additional information on prerequisites and other details about programs in Education related to Teacher Certification, you may call (412) 648-2283.

Swanson School of Engineering

Transfer applicants to the **Swanson School of Engineering** must indicate a specific major. The available engineering majors are:

- Bioengineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Engineering Physics
- Engineering/SAS Joint Degree
- Industrial Engineering
- Materials Science
- Mechanical Engineering

The **Swanson School of Engineering** curriculum is highly structured from the freshman through senior year. We recommend that you follow the curriculum closely, as only courses that are an integral part of your proposed degree program and for which you've earned a "C" grade or better will be considered for transfer. No more than 60 credits will be accepted for transfer from a community college.

Students with a cumulative grade point average of 2.8 or better will be considered for admission to the Swanson School of Engineering. Bioengineering applicants need a cumulative GPA of 3.5 or higher. Transfer students are admitted within the limit of spaces available in the individual departments. You are advised to follow the freshman curriculum outlined on the following pages.

For additional information, please feel free to contact the Swanson School of Engineering at 412-624-9825 or visit our website at: www.engr.pitt.edu.

University of Pittsburgh
Swanson School of Engineering

Curriculum

FRESHMAN YEAR

FIRST TERM		
Pitt Course:		At CCAC you take:
Subject	Credits	
MATH 0220: Analytic Geometry and Calculus 1	4	MAT 201: Calculus I
Humanities or Social Science Elective*	3	See course equivalent list
CHEM 0960: Chemistry for Engineers I	3	CHM 151: General Chemistry I
PHYS 0174: Physics for Science Engineering	4	PHYS 221: Physics for Eng. and Science I
ENGR 0011: Engineering Analysis#	3	No equivalent
ENGR 0081: Freshman Seminar	0	No equivalent

SECOND TERM		
Pitt Course:		At CCAC you take:
Subject	Credits	
MATH 0230: Analytic Geometry and Calculus 2	4	MAT 202: Calculus 2
CHEM 0970: Chemistry for Engineers II	3	CHM 152: General Chemistry II
PHYS 0175: Physics for Science and Eng. II	4	PHYS 222: Physics for Eng. & Science II
ENGR 0012: Intro to Engineering Computing#	3	CIT 145
ENGR 0082: Freshman Seminar	0	No equivalent
Humanities or Social Science Elective*	3	See course equivalent list

You are encouraged to cross-register for ENGR 0011 and 0012 at the School of Engineering.

* No more than (3) humanities or social science electives will be accepted for transfer from a community college.

SOPHOMORE YEAR**

Pitt Course:	At CCAC you take:

Subject	Credits	
MATH 0024: Analytic Geometry Calculus III	4	MATH 250: Calculus 3
MATH 0280: Linear Algebra	3	MATH 253: Linear Algebra

****Courses recommended for the sophomore through senior years vary according to the specific major. Consult the School of Engineering Bulletin for more information, or call the School of Engineering at (412) 624-9825.**

All engineering programs are subject to change without advance notice.

ARTICULATION AGREEMENT
BETWEEN
COMMUNITY COLLEGE OF ALLEGHENY COUNTY
AND
UNIVERSITY OF PITTSBURGH
SCHOOL OF ENGINEERING

The articulation agreement between CCAC and the University of Pittsburgh School of Engineering (1) enables students to take the equivalent of the School of Engineering freshman program at CCAC and (2) helps to facilitate their transfer to the University of Pittsburgh. Providing that the CCAC student has a cumulative grade point average of 2.8 or above (based upon a 4.0 scale) in the equivalent freshman program courses, the School of Engineering guarantees acceptance into the engineering department of choice (excluding bioengineering and engineering physics). Students with a cumulative grade point average of a 2.5 or above will be considered for admission, however, will not be guaranteed admission. Credits will be accepted for transfer to the University of Pittsburgh for all approved courses listed on the equivalency list in which a grade of “C” or better has been earned.

Some students may need prior course work at CCAC before enrolling in the equivalent freshman year courses required by the School of Engineering; however, only courses included on the equivalency list will be considered for transfer. CCAC students may also take upper-level engineering courses as specified in the course equivalency list.

CCAC students should check periodically with their academic advisor regarding changes in the Engineering curriculum or the articulation agreement. The School of Engineering will promptly advise CCAC, in writing, of any such changes and will make reasonable efforts to allow CCAC students in the program at the time changes are made to complete the program under the conditions in effect at the time of their enrollment at CCAC. Students may also contact the School of Engineering’s Transfer Coordinator or the departmental Undergraduate Coordinator, if necessary, for more information. Additional transfer guidelines are stated in the School of Engineering bulletin.

To transfer, CCAC students must complete an application for admission with advanced standing by the deadline (November 15 for Spring term, March 15 for Summer term and July 15 for Fall term). All application materials should indicate that the student is following the CCAC articulation agreement. Contact the Office of Admissions and Financial Aid at (412) 624-PITT for application materials.

SWANSON SCHOOL OF ENGINEERING ENGLISH WRITING REQUIREMENT

To ensure that all engineering students attain a reasonable level of competence in writing, the Swanson School of Engineering requires students to complete two levels of English writing courses. The two levels include 1) a basic English *composition* course and 2) a course where students will gain *writing experience* in a specific academic subject area. The writing requirement is further explained below.

I. COMPOSITION

All students enrolled in the Swanson School of Engineering are expected to complete the University of Pittsburgh's basic English composition course entitled *General Writing-Intensive* (GWI). However, transfer students have several options.

- A. Engineering transfer students who have prior college-level writing experience may request an assessment of their skill level by either
 1. taking a Writing Placement Test; or,
 2. submitting for review two college-level writing samples. An evaluation of the test results/writing samples will determine placement in or exemption from the GWI course.*
- B. Community College of Allegheny County (CCAC) students who have earned a grade of a "C" or better ("C-" is unacceptable) in ENG 101 will be automatically waived from taking GWI at the University of Pittsburgh (Pitt). CCAC students who have not completed ENG 101 or have earned below a grade of "C" in the course will be required either to take the GWI course or follow the assessment options outlined in paragraph A.
- C. Students with an SAT verbal score of 600 or higher will be waived from taking the GWI at the University of Pittsburgh.

II. WRITING EXPERIENCE

In addition to the composition requirement, all engineering students must take one writing course, designated in the University of Pittsburgh course description listings as "W". Students may fulfill the writing experience requirement by taking a course in any area, including but not limited to Humanities, Social Sciences or Natural Sciences.

Students transferring from a community college must take the writing experience course at the University of Pittsburgh; therefore, no such courses will be accepted for transfer from a community college. Students must abide by the writing assessment results and can choose only one of the options. Engineering transfer students should consult with their academic advisors for specific instructions for taking the placement test or submitting the writing samples.

School of Health and Rehabilitation Sciences

The School of Health and Rehabilitation Sciences (SHRS) offers undergraduate majors in Athletic Training, Clinical Dietetics and Nutrition, Communication Science, Emergency Medicine, Health Information Management, and Rehabilitation Science. For admission, a student must have a minimum of 60 college credits including the specific prerequisite courses. Students should apply to the programs in the spring semester of their sophomore year when coursework is in progress. All admissions criteria must be met by the time the program begins in the Fall Term.

General admission criteria includes completion of a minimum of 60 credits, a minimum overall and prerequisite GPA of 2.5 with a grade of C- or better in all prerequisite courses. To be competitive for admission, a higher GPA is recommended/required for most SHRS programs.

Class size is limited and students are encouraged to submit applications early. A University of Pittsburgh Application for Transfer Students as well as the SHRS supplemental information must be completed. We highly recommend an appointment with the SHRS Director of Admissions to discuss the application and admission process.

Application deadlines:

Athletic Training	March 15
Clinical Dietetics & Nutrition	March 15
Rehabilitation Science	March 15
All other programs	Rolling Admissions

For further information:

Web page: <http://www.shrs.pitt.edu>
E-mail: admissions@shrs.pitt.edu
Phone: (412) 383-6558
Fax: (412) 383-6535

Athletic Training

This CAATE-accredited program prepares students for certification by the National Athletic Trainers' Association. The curriculum leads to a Bachelor of Science degree in Athletic Training. Graduates are eligible for careers in a variety of clinical sports medicine settings working with active populations, or for further education at the graduate level conducting research central to the practice of sports medicine.

Admission is for the **Fall Term only**. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below. Admissions selections are based upon: overall minimum QPA of 2.5; completion of all prerequisites; personal interview; personal qualities important for athletic training (i.e. enthusiasm, motivation, positive health habits, strong work ethic and time commitment). Additional requirements include the completion of prescribed observation hours in on-campus, high school and sports medicine clinic facilities under the direct supervision of a certified athletic trainer.

Pitt Requirements	CCAC Equivalent
Biology/lab (4 credits)	BIO 151
Chemistry/lab (4 credits)	CHM 151
Introduction to Physics (3 credits)	PHY 141
Math (3 credits)	MAT 108 or 111
Statistics (4 credits)	MAT 161 or 165
Psychology (6 credits)	PSY 101 and 108, 208 or 210
Writing/English Comp (6 credits)	ENG 101, 102, 103
Computer Science (3 credits)	CIT 100
Public Speaking (3 credits)	SPH 104
Emergency Medical Technician/lab (4 credits)	XGC 119
Basic Athletic Training (3 credits)	Cross register for ATHLTR 1811
Basic Athletic Training lab (1 credit)	Cross register for ATHLTR 1812
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

Clinical Dietetics and Nutrition

Admission is for the Fall Term only. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below.

Admissions prerequisites	CCAC equivalents
Biology (6-8 credits)	BIO 151 and 152
Chemistry with labs (8 credits)	CHM 151 and 152
Organic chemistry (labs not req'd—6 credits)	CHM 201 and 202
Computer Science (3 credits)	CIT 100
Economics (3 credits)	ECO 102 or 103
English composition (3 credits)	ENG 101
English writing (3 credits)	ENG 102
Math (3 credits)	MATH 108 or 111
Intro. To Nutrition (3 credits)	DIT 106
Public Speaking/Oral Communication (3 credits)	SPH 101 or 104
Psychology (3 credits)	PSY 101
Sociology (3 credits)	SOC 101
Statistics (3 credits)	MATH 161 or 162

**Articulation Agreement
Between CCAC (Diet Technician Program)
And
The University of Pittsburgh/SHRS (Clinical Dietetics
and Nutrition)**

An Articulation Agreement exists between the accredited Associate Degree Diet Technician Program (DIT) at CCAC and the accredited Bachelor of Science degree Clinical Dietetics and Nutrition program at the University of Pittsburgh School of Health and Rehabilitation Sciences.

The CCAC courses, which have been identified as transferable in meeting the CDN Prerequisite Course Requirements, are listed above.

NOTE: The Introductory Nutrition course listed below as CDN 1006 is a human nutrition course offered by the CDN Department to meet specific accreditation standards of education. A review of the course objectives and syllabus for the CCAC course, DIT 106/Nutrition Care I, indicates that this course is equivalent to CDN 1006 and therefore is the course that is accepted as the transferable introductory nutrition course. The BIO 117 Nutrition course is NOT accepted as equivalent.

Transferable Professional Level Courses

Courses completed by graduates of the CCAC/DIT accredited program that are transferable for advanced standing in the CDN Program include:

DIT 102, 110, and 210 are equivalent to CDN 1604

ALH 140 is equivalent to CDN 1601 (But transfers as ONE CREDIT ONLY)

Diet Technician Program (CCAC) To Clinical Dietetics & Nutrition (SHRS)

SHRS/CDN Prerequisites	CCAC Equivalents
CHEM 0110/lab (4 credits)	CHM 151/lab (4 credits)
CHEM 0120/lab (4 credits)	CHM 152/lab (4 credits)
CHEM 0310/lab (4 credits)	CHM 201/lab (4 credits)
CHEM 0320/lab (4 credits)	CHM 202/lab (4 credits)
BIOSC 0150 (3 credits)	BIO 151 (3 credits)
SOC 0010 (3 credits)	SOC 101 (3 credits)
PSY 0010 (3 credits)	PSY 101 (3 credits)
ECON 0800 (3 credits)	ECO 102 or 103 (3 credits)
MATH 0031 (2) or MATH 0200 (3)	MAT 108 or 111 (2 credits)
STAT 0200 (3) or STAT 1000 (4)	MAT 161/162 or 165/166 (3 credits)
COMMRC 0520 (3 credits)	SPH 101 (3 credits)
CS 0110 (3 credits)	CIT 100 (3 credits)
ENGCMP (3 credits)	ENG 101 (3 credits)
CDN 1006 (3 credits)	DIT 106 (3 credits)
*CDN 1612 (3 credits)	
*CDN 1600 (1 credit)	
Add'l Electives (10-13 credits)	Add'l electives (17-18 credits)

*Note: CCAC students may take these courses during the Junior year following admissions to a CDN undergraduate program.

Communication Science

Admission is for the Fall Term only. Please note that it is not necessary to complete all of the requirements listed below before transfer. However, it is advisable to include as many of these courses as possible in the 60 prerequisite credits.

Admissions Prerequisites	CCAC Equivalent
Skills Requirements	
Basic Writing (1 course)	ENG 100 or ESL 100
General Writing (1 course)	ENG 101 or 102
Algebra (1 course)	MAT 108, 111, 116, 132, 142, 147
Quantitative Reasoning (1 course)	MAT 162, 165, 201, 202, 220, or PHL 204
Foreign Language (2 courses)	Three years in high school, or first and second levels in college
General Education Requirements	
Literature (1 course)	ENG 200, 201, 202, 203, 204, 205, 206, 207, 209, 210, 217, 222, 223, 225, 270, 271, THE 101
Music Art I (1 course)	ART 100, 103, 104, 106, 260, 261, MUS 101, 103, 121, 253
Music/Art/Lit II (1 course)	ART 109, 114, 138, 148, 149, ENG 105, 109, 118, 120, 217, 272, FCL 103, JRN 201, MUS 122, 140, SPH 101, 104, THE 104, 108, 110, 155, 215
Philosophy (1 course)	PHL 101, 104, 105, 107, 157, 201, 203, 205
Social Science (1 course)	ANT 101, 102, HIS 110, POL 103, 206, PSY 107, 109, 202, 211, 214, SOC 101, 201, 202, 208, 211, 212
History (1 course)	HIS 101, 102, 104, 105, 114, 203, 213, 219, 220, 227, 229
Public Policy / Second Social Science	BIO 215, BUS 152, ECO 102, 103
Second History (1 course)	HIS 220, 222, 103, 110, 115, 204, 206, 208, 241, PSY 202, SOC 202, 212, or a second course in history or social science
Natural Science (3 courses, 1 physical and 2 life, or 2 physical and 1 life)	Physical: CHM 113, 120, 151, 152, GCY 201, 202, 203, PHS 107, 109, PHY 100, 123, 141, 142 Life: ANT 103, BIO 151, 152, 160, 161, 162, 171, PSY 101, 201, 208, 210, 220
International Culture (3 courses-- At least 1	ART 103, 104, 260, 261, ENG 209 (NW),

must be NW)	210 (NW), 270 (NW), 271, FCL 103, HIS 101, 102, 114, 201, 227 (NW), PHL 104 (NW), TRV 203 (NW), 204 (NW)
-------------	--

Cluster Courses: These courses are equivalent to a Minor requirement. One (1) course must be taken from each of the five sections below.

I	Stats and Measurements (Choose from MAT 162, 166, and PSY 290)
II	Biological/neurological/cognitive communication (Choose from BIO 151, 152, and PSY 220)
III	Philosophy (PHL 105)
IV	Sociocultural Studies (Choose from ANT 102, PSY 202, SOC 212)
V	Lifespan Development (Choose from PSY 108, 208, 210, 214, and SOC 202)

Emergency Medicine

Admission is for all terms. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below.

Admissions Prerequisites	CCAC Equivalents
Algebra/Advanced Mathematics (2-3 credits)	MAT 108 or 111
English Composition/Writing (6 credits)	ENG 101 and 102
Public Speaking (3 credits)	SPH 104
Natural Sciences (3 credits)	
EMT with lab (4 credits)	XGC 119*
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

*students will receive four credits for this course

Health Information Management

Admission is for the Fall Term only. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below.

Admissions Prerequisites	CCAC Equivalents
English Composition (6 credits)	ENG 101, 102 and 103
Psychology (3 credits)	PSY 101
Biology/labs (3 credits)	BIO 100, 103 or 110
Chemistry (3-4 credits)	CHM 109 or 110
Mathematics/Algebra (2-3 credits)	MATH 108
Statistics (3-4 credits)	MATH 161 or 165 or Psych 290
Public Speaking (3 credits)	SPH 101
Computer Science (9 credits)	CIT 100, 111, 115, 125, 140, 145
Humanities and Social Sciences- (6 credits)	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

Articulation Agreement Between Health Information Technology (CCAC) And Health Information Management (PITT-SHRS)

An Articulation Agreement exists between the associate degree Health Information Technology (HIT) Program at CCAC, Allegheny Campus, and the Health Information Management Program with SHRS. The following lists can be helpful for planning a transfer curriculum.

Prerequisites Completed at CCAC and Transferable to Pitt:

English I (3 credits)	ENG 101
English II (3 credits)	ENG 102
Introduction to Psychology (3 Credits)	PSY 101
Speech elective (3 credits)	SPH 101
Information Systems (7 credits)	CIT 100 and 140

TOTAL CREDITS: 19

Prerequisite Courses to be Completed at CCAC and Transferable to Pitt:

Biological Sciences (3 credits)	BIO 100,103, or110
Introduction to Chemistry (3-4 credits)	CHM 109 or 110
Statistics (3-4 credits)	MATH 161, 165, or PSY 290
Computer Science and/or Information Science (3 credits)	CIT 111 or 145
Intermediate Algebra (4 credits) (unless completed at CCAC as math elective)	MATH 108
Humanities and Social Sciences- (6 credits)	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

TOTAL CREDITS: 22-24

Professional Courses Completed at CCAC and Accepted by HIM at SHRS:

CCAC Equivalent	SHRS Course
------------------------	--------------------

ALH 140 Medical Terminology (3 credits)	HIM 1405 (0 credits)
ALH 125 Pharmacology (or BIO 107 Pharmacology) (3 credits)	
MDR 100 Intro to Health Data Content & Structure (4 credits)	HIM 1415 & 1416 (4 credits)
MDR 103 Healthcare Statistics (2 credits)	
MDR 102 Inpatient Clinical Coding & Secondary Records (4 credits)	HIM 1435 & 1436 (4 credits)
MDR 206 Legal Aspects of Health Info. (2 credits)	
MDR 207 Clinical Quality Improvement, Regulatory Agencies Special Facilities (3 credits)	HIM 1455 & 1456 (3 credits)
BIO 161 Human Anat. & Phys. I (4 credits)	
BIO 162 Human Anat. & Phys. II (4 credits)	HIM 1020 (4 credits)
MDR 202 Health Info. Tech. D.P. I (3 credits)	HIM 1440 (2 credits)
MDR 203 Health Info. Tech D.P. II (6 credits)	HIM 1460 (3 credits)
MDR 210 Ambulatory Care Clinical Coding & Reimbursement Systems (3 credits)	HIM 1465 (1 credit)
BIO 241 Pathophysiology (4 credits)	HRS 1027 (4 credits)
MDR 208 Health Information Mgmt. (3 credits)	HIM 1420/HRS 1009 (3 credits)
TOTAL CREDITS: 48	TOTAL CREDITS: 28

The 20 credit differential in the professional courses will be accepted as part of the 60 entrance credits.

Rehabilitation Science

The major in Rehabilitation Science is designed to prepare students for graduate education in areas such as physical therapy, occupational therapy, prosthetics and orthotics, physician's assistance, rehabilitation counseling, wellness and human performance, rehabilitation technology, as well as for graduate and professional studies in other areas of health care.

Admission is for the Fall Term. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below.

Pitt Requirements	CCAC Equivalents
Biology/lab (4 credits)	BIO 151
Chemistry/lab (4 credits)	CHM 151
Physics/lab (4 credits)	PHY 141
Algebra (3 credits)	MAT 108 or 111 or higher
Applied Statistics (3-4 credits)	MATH 165 or 166
Psychology: General and Developmental (6 credits)	PSY 101 and 108
English Composition (6 credits)	ENG 101, 102, 103
Computer Science (3 credits)	CIT 100 or 140
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Art History, Economics, English Literature/Writing, Ethnic Studies, Foreign Languages, History, Music, Philosophy, Political Science, Religion, Sociology, Visual/performing Arts, etc.

We recommend that students interested in graduate programs in health sciences should complete any additional prerequisites in biology, chemistry, and physics while enrolled in CCAC. These courses also can be completed while enrolled in the Rehabilitation Science program.

School of Information Sciences

The **Department of Information Sciences and Telecommunications** offers the Bachelor of Science in Information Science (BSIS), a two-year program that normally begins in a student's junior year. The BSIS program is designed to prepare students to assume professional responsibilities as system analysts and designers, database developers and managers, interactive system designers, information retrieval specialists, and other information related occupations. An education in information science has universal application through society— in banking, health care, pharmacy, libraries, judicial systems, communication, education, agriculture, private industry, and governmental agencies.

This transfer guide is designed to help you plan your curriculum at the Community College of Allegheny County (CCAC) so that you can achieve maximum transferability of classes and fulfill graduation requirements and/or prerequisite requirements for admission to the BSIS program. We suggest you use it while consulting with the Transfer Counselor at your campus. If you have additional questions you can reach us at (412) 624-5143, or visit our web site at: www.ischool.pitt.edu.

SKILLS AND GENERAL EDUCATION REQUIREMENTS

The following list is meant to help you complete some of the skills and general education requirements for the BSIS degree. CCAC courses that fulfill these requirements are listed below with SIS equivalencies. A grade of “**C**” or better is required for transferable credits. (Grade requirements exceptions noted below.)

SKILLS REQUIREMENTS

CCAC Course	Credits	Pitt Course	Credits
Writing 1 The writing requirement can be satisfied by the following course:			
ENG 101 English Comp 1	3	ENGCOMP 0200 Seminar in Composition	3
Writing 2 The writing requirement can be satisfied by one of the following courses:			
ENG 102 English Comp 2	3	ENGCOMP 0450 Research Writing	3
ENG 103 Technical Communications	3	ENGCOMP 0400 Written Prof Com	3
BUS 130 Business Communications	3	ENGCOMP 0400 Written Prof Com	3
Math The quantitative requirement can be satisfied by any one of the following courses:			
MAT 135 Discrete Math	3	MATH 0400 Discrete Math Structures	3
MAT 201 Calculus 1	4	MATH 0220 Analytical Geo & Calc	4
MAT 220 Business Calc	4	MATH 0120 Business Calc	4
Logic The logic requirement can be satisfied by the following course:			
PHL 204 Symbolic Logic	3	PHIL 0500 Introduction to Logic	3
Foreign Language The language requirement can be satisfied			
Two years of the same foreign language in high school			
One year in high school and one term of the same foreign language in college			
Two terms of the same foreign language in college			
Native speaker of a foreign language			
Statistics The statistics requirement can be satisfied with the following course:			
MAT 165 Probability & Stats	4	STAT 0200 Basic Applied Statistics	4

GENERAL EDUCATION REQUIREMENTS

CCAC Course	Credits	Pitt Course	Credits
Literature The literature requirement can be satisfied by one of the following courses:			
ENG 117 Children's Lit	3	ENGLIT 1640 Lit for Children	3
ENG 118 Women as Writers	3	ENGLIT 1701 Topics in Women's Studies	3
ENG 200 Dramatic Literature	3	ENGLIT 0310 Dramatic Imagin	3
ENG 205 American Literature to the Civil War	3	ENGLIT 0570 American Literary Traditions	3
ENG 207 African American Literature	3	ENGLIT 1246 African American Literature	3
ENG 209 World Lit to 1650	3	ENGLIT 0590 Formative Masterpieces	3
ENG 210 World Lit 1650 to present	3	ENGLIT 1380 World Lit in Eng	3
ENG 222 Shakespeare's Plays	3	ENGLIT 0580 Intro to Shakespeare	3
ENG 223 Science Fiction	3	ENGLIT 1661 Science Fiction	3
ENG 225 The Bible as Literature	3	ENGLIT 0597 Bible as Literature	3
FCL 103 Mythology	3	CLASS 1130 Classical Myth & Lit	3
THE 101 Intro to the Theater	3	THEA 0810 Intro to Dramatic Art	3
THE 104 Modern Drama	3	THEA 1358 Modern Theater to WWII	3
Music and Art The music/art requirement can be satisfied by one of the following course:			
ART 100 Intro to Art History	3	HAA 0010 Intro to Art	3
ART 103 Art of West. Civ. 1	3	HAA 0010 Intro to Art	3
ART 104 Art of West. Civ. 2	3	HAA 0030 Intro to Modern Art	3
ART 109 Drawing 1	3	SA 0130 Foundation Drawing	3
ART 113 Graphic Communication 1	3	SA 1470 Graphic Design	3
ART 114 Two Dimensional Design	3	SA 0110 Foundation Design	3
ART 138 Sculpture 1	3	SA 0140 Foundation Sculpture	3
ART 122 Painting 1	3	SA 1250 Painting	3
ART 129 Printmaking 1	3	SA 1260 Printmaking – Etching	3
ART 138 Sculpture 1	3	SA 0140 Foundation Sculpture	3

ART 148 Color	3	SA 0120 Foundation Color	3
ART 207 Drawing 2	3	SA 1230 Drawing	3
ART 222 Painting 2	3	SA 1350 Painting	3
ART 229 Printmaking 2	3	SA 1360 Printmaking – Lithography	3
ART 238 Sculpture 2	3	SA 1240 Sculpture	3
ART 256 Printmaking 3	3	SA 1560 Directed Study - Printmaking	3
MUS 101 Intro to Music	3	MUSIC 0211 Intro to Western Art Music	3
MUS 104 Music Theory 1	3	MUSIC 0411 Theory 1	3
MUS 121 History of Music 1	3	MUSIC 0222 Hist of W. Mus 1	3
MUS 122 History of Music 2	3	MUSIC 0224 Hist of W. Mus 2	3
MUS 130 Class Voice 1	3	MUSIC 0123 Class Voice	3
MUS 140 Class Guitar 1	3	MUSIC 0122 Class Guitar	3
MUS 154 Harmony 1	3	MUSIC 0411 Theory 1	3
MUS 203 Music Theory 2	3	MUSIC 0412 Musicianship 1	3
MUS 204 Music Theory 3	3	MUSIC 0416 Musicianship 2	3
MUS 253 History of Jazz	3	MUSIC 0711 Jazz	3
MUS 254 Harmony 2	3	MUSIC 0412 Musicianship 1	3
Communication The communication requirement can be satisfied by one of the following courses:			
SPH 101 Oral Communication	3	COMMRC 0520 Public Speaking	3
SPH 105 Discussion	3	COMMRC 0540 Discussion	3
Social Science The social science requirement can be satisfied by two courses from any two different fields listed below: Economics, Political Science, Sociology			
Economics			
ECO 102 Principles of Macro Economics	3	ECON 0110 Introduction to Macroeconomic Theory	3
ECO 103 Principles of Micro Economics	3	ECON 0100 Introduction to Microeconomic Theory	3
Political Science			
POL 103 American Government	3	PS 0200 American Political Process	3
POL 206 International Relations	3	PS 0500 World Politics	3
Sociology			
SOC 101 Intro to Sociology	3	SOC 0010 Intro to Sociology	3
SOC 160 Introduction to Women's Studies	3	WOMNST 0100 Introduction to Women's Studies	3
SOC 201 Soc. Of the Family	3	SOC 0438 Soc. of the Family	3

SOC 202 Human Aging	3	SOC 0475 Sociology of Aging	3
SOC 208 Urban Sociology	3	SOC 0444 Urban Sociology	3
SOC 210 The Sociology of Sexual Behavior	3	SOC 0436 Social Aspects of Sexuality	3
SOC 211 Racial and Ethnic Minorities	3	SOC 0460 Minority Groups	3
SOC 212 Social Problems	3	SOC 0007 Social Problems	3
SIC 213 Sociology of Health and Illness	3	SOC 1450 Health and Illness	3
History and Culture This requirement can be satisfied by one of the following courses:			
ANT 101 Intro to Anthropology	3	ANTH 1780 Intro to Anthro	3
ANT 102 Cultural Anthropology	3	ANTH 0780 Intro to Cultural Anthropology	3
ANT 103 Intro to Physical Anthropology	3	ANTH 0680 Intro to Physical Anthropology	3
HIS 101 Hist of West Civ 1	3	HIST 0100 Western Civ 1	3
HIS 102 Hist of West Civ 2	3	HIST 0101 Western Civ 2	3
HIS 104 U.S. History 1	3	HIST 0600 U.S. to 1877	3
HIS 105 U.S. History 2	3	HIST 0601 U.S. 1865 to Present	3
HIS 113 History of the Old Testament	3	RELGST 0045 Hebrew Bible	3
HIS 114 History of the Old Testament	3	RELGST Christian Bible	3
HIS 203 Afro-American Hist 1	3	HIST 0670 Afro-American Hist 1	3
HIS 205 Afro-American Hist 2	3	HIST 0671 Afro-American Hist 2	3
HIS 219 History of Women	3	HIST 1661 U. S. Women 2	3
HIS 222 Pgh: Past, Pres, Ft	3	HIST 1668 History of Pittsburgh	3
HIS 229 Contemporary History of the US	3	HIST 1619 United States since 1945	3
Psychology The requirement can be satisfied by the following course.			
PSY 101 Intro to Psychology	3	PSY 0010 Intro to Psychology	3
Natural Sciences a minimum of three courses is required. Two must follow a sequence and the third must be from a different science field.			
Sequences			
BIO 151 General Biology 1	4	BIOSC 0150 Foundations of Biology 1	4
BIO 152 General Biology 2	4	BIOSC 0160 Foundations of Biology 2	4
CHM 151 General Chem 1	4	CHEM 0110 General Chem 1	4
CHM 152 General Chem 2	4	CHEM 0120 General Chem 2	4
GGY 202 Historical Geology	3	GEOL 0060 History of the Earth	3
GGY 203 Physical Geology	3	GEOL 0050 Physical Geology	3

PHY 141 Physics 1	4	PHYS 0110 Intro to Physics 1	4
PHY 142 Physics 2	4	PHYS 0111 Intro to Physics 2	4
PHY 221 Physics for Eng & Science 1	4	PHYS 0174 Basic Physics Science & Eng 1	4
PHY 222 Physics for Eng & Science 2	4	PHYS 0106 Basic Physics Science & Eng 2	4
Single			
CHM 113 Fund, Gen & Org Chem 1	3	CHEM 0800 Chem for Nonscientists	3
CHM 120 Bio-Org Chemistry	4	CHEM 0910 Chem Princ Health Prof	4
GGY 201 Geology	3	GEOL 0800 Geology	3
PHS 107 Intro to Astronomy	3	ASTRON 0089 Stars, Galax, Cosmos	3
PHS 109 Energy & Environm	3	PHYS 0086 Physics & Public Policy	3

Information Science: The following courses will transfer and are equivalent to Information Science courses:			
CIT130 Object Oriented Programming: JAVA	4	INFSCI 0017 Object Oriented Programming 1	3
CIT 145 Programming in C	3	INFSCI 0012 Introduction to Programming	3
CIT 245 Data Structures and Programming in C++	4	INFSCI 0015 Data Structures and Programming Tech.	3

Other Course Equivalencies

Computer Science: The following courses will transfer and are equivalent to Computer Science courses:			
CIT 100 Intro to Computers	3	CS 0110 Intro to Personal Computing and Internet	3
CIT 111 Introduction to JAVA Programming	3	CS 0007 Intro to Computer Programming	3
CIT 125 Web Development	3	CS 0134 Website Design and Development	3
CIT130 Object Oriented Programming: JAVA	4	CS 0401 Intermediate Programming: JAVA	3
CIT 140 Office Productivity Applications	3	CS 0131 Software for Personal Computing	3
CIT 145 Programming in C	3	CS 0132 Programming in C & Unix	3

CIT 161 Visual Basic .NET Window Programming	3	CS 0004 Introduction to Programming: Basic	3
CIT 245 Data Structures and Programming in C++	4	INFSCI 0015 Data Structures and Programming Tech.	3

School of Nursing

Two categories of students may be qualified to apply to the University of Pittsburgh **School of Nursing**. The GN/RN applicant or a student currently enrolled and taking classes in a college or university, who desires a Bachelors of Science in Nursing (BS) degree.

The **RN Options** curriculum is designed for registered nurses, who obtained their nursing education through either a diploma or an associate degree program, to complete their nursing education with a Bachelor of Science in Nursing (BSN). It also offers an opportunity to obtain an early admission to graduate nursing education. Admission criteria include possession of a current PA RN license, GPA of 3.3 or better in previous nursing education, completion of the application, which can be found online at <https://app.applyyourself.com/?id=up-nurs>, brief essay, current resume, three letters of professional recommendation, official transcripts from all schools attended, and a formal interview. For more information about the RN Options program please go to the website http://www.nursing.pitt.edu/academics/rn_options.jsp. For RNs, it is recommended to set up an individual appointment with the Associate Director, Recruitment by calling 412-624-4586.

The **pre-licensure student** interested in obtaining the nursing education that leads to a Bachelors of Science in Nursing (BSN) degree, and eligibility to take the National Council Licensure Examination (NCLEX) to become a register nurse (RN), my apply to the School of Nursing. Admission to the School of Nursing is very competitive. If a transfer student has less than twenty-four (24) college credits at the time of application, admission will be based, in part, on the college academic record and on the high school academic record. If a transfer student has more than twenty-four (24) college credits at the time of application, admission will be based on the college record. All applications will be reviewed and decisions will be made based on the student's academic success and consideration of the number of seats available in the class. A 3.0 GPA or better from previous institution is required for applicant to be considered. As a transfer applicant you must have successfully completed a general chemistry course with a lab at either the high school or college level, preferably with a B or better.

Admission to the School of Nursing for all transfer students is to the freshman class. It will usually take four (4) additional years to complete the nursing program once admitted unless admission to the sophomore year is granted. A limited number of spaces are available at the sophomore level and admission for these seats is very competitive. Admission decisions for these spaces are made separately, subsequent to admission to the freshman class. Once you have been admitted to the freshman class, your records will be reviewed for your eligibility to be considered for a sophomore space. Students interested in admissions to the sophomore level must have completed at least 24

credits prior to enrollment. You can begin to fulfill the liberal arts and the elective requirements while at another institution, thereby reducing the credit load for some terms. General Writing, Psychology, Sociology, Culture (Anthropology, History, etc.), Public Speaking, Statistics, Creative Expression and/or general electives are recommended courses. Courses need to be of a 0100 level or greater and a “C” grade or better needs to be obtained for course credit transfer.

The following courses marked with an asterisk(*) must be included in these credits, and classes that may be completed for this coursework at CCAC are noted – with suggestions for classes that will meet the requirement for sophomore status eligibility. Other coursework noted for Freshman year are the liberal arts and the elective requirements mentioned earlier.

School of Nursing Curriculum

FRESHMAN YEAR		
Fall Term		
Pitt Course	Credits	At CCAC you may take:
*CHEM 0910 – Chemistry for the Health Professions	4	CHEM 110 & 111 & CHEM 120
*NUR 0012 – Human Anatomy & Physiology 1	3	BIO 161
*NUR 0002 – Nursing Anatomy & Physiology 1 Lab	1	Lab required
English Composition	3	ENG 101, 102, or 103
Psychology	3	Any Psychology course 100 level or above
Sociology	3	Any Sociology course 100 level or above
TOTAL	17	

FRESHMAN YEAR		
Spring Term		
Pitt Course	Credits	At CCAC you may take:
*ORBIOL 0031 – Microbiology 1	4	BIO 175 (lab required)
*NUR 0013 – Human Anatomy & Physiology 2	3	BIO 162
*NUR 0003 – Nursing Anatomy & Physiology 2 Lab	1	Lab required
*PSYED 0005 – Life Span Development	3	PSY 108
NUR 1056 – Nursing Informatics	3	NA
NUR 0051 – Introduction to Professional Nursing	3	NA
TOTAL	17	

OTHER LIBERAL ARTS COURSES		
Anthropology/American/Foreign History or Culture	3	Any history, American or foreign culture course above 100 level
Statistics	3	MATH 165
Speech	3	SPH 101H

Certain aspects govern the advanced credits allowed for transfer courses. After admission to the School of Nursing, an official transcript of courses taken in other accredited universities or colleges must be submitted to the University of Pittsburgh –

School of Nursing Student Services Office, Room 239 Victoria Building, Pittsburgh, PA 15261. When requested, course descriptions or course outlines must be submitted to Student Services to determine course equivalency at the University of Pittsburgh. The credit transferred for any course can be no greater than the credit given at the University of Pittsburgh. Only courses with letter grades of "C" or better may be transferred. Science courses must have been taken within the last eight years with a grade of B or Better unless there have been unusual circumstances.

IMPORTANT: As you plan your coursework at CCAC in preparation for transfer to the School of Nursing, keep in mind that the nursing curriculum at the University of Pittsburgh does allow for a limited number of general electives in history, American or foreign culture, art, music, literature, math, and philosophy at the 100 level or above. Please consult with the Associate Director of Recruitment in the Office of Student Services in the School of Nursing prior to course selection either by phone at 412-624-1291 or email at mschuber@pitt.edu or you can make an individual appointment by calling 412-624-4586.

School of Pharmacy

The **School of Pharmacy** offers a four-year professional program leading to the Doctor of Pharmacy Degree (PharmD). The program is six years in length and configured in a program of study that requires two years of pre-professional courses and four years (nine terms) of professional courses.

Applicants for admission to the School of Pharmacy must be eligible for admission to the University and have successfully completed, or be in the process of completing, all prerequisite mathematics and science subjects no later than the spring term of the year of admission. All other pre-professional courses must be completed prior to the fall entry into the professional program. All courses must be taken for a letter grade.

The minimum requirements for consideration for admission to the School of Pharmacy's professional program are:

1. Completion of the pre-pharmacy requirements
2. Quality point average of 3.0
3. Completion of the [PharmCAS](#) Application and application fee
4. Completion of the School of Pharmacy Supplemental Application and fee
5. Submission of the PCAT scores by the December application deadline.

The application process consists of 2 parts. Both parts are required. Pharmacy College Application Service ([PharmCAS](#)) Application - due in **December**. The supplemental application process must be completed and submitted in **January** to be considered for Fall admission. Please visit www.pharmacy.pitt.edu/Programs/PharmD/application/step2.html for information on the deadlines and applications.

Office of Student Services
School of Pharmacy
904 Salk Hall
Pittsburgh, PA 15261
412-383-9000
<http://www.pharmacy.pitt.edu/>

Below is the recommended distribution of courses for the first two years (pre-professional) of study toward the Doctor of Pharmacy Degree (PharmD):

First Term	Third Term
Biology I (3 credits)	Organic Chemistry I (3 credits)
Biology I lab (1 credit)	Organic Chemistry I lab (1 credit)
General Chemistry I (3 credits)	Statistics (4 credits)
General Chemistry I lab (1 credit)	Introduction to Psychology (3 credits)
Calculus (4 credits)	Electives (see below for suggestions)
English composition (3 credits)	
Total Credits: 15 or 16	Total credits: 17

Second Term	Fourth Term
General Biology II (3 credits)	Organic Chemistry II (3 credits)
General Biology II lab (1 credit)	Organic Chemistry II lab (1 credit)
General Chemistry II (3 credits)	Electives (see below for suggestions)
General Chemistry II lab (1 credit)	
English composition	
Economics (micro or macro or intro)	
Total Credits: 14	Total Credits: 12

Distribution of Electives should be as follows:

Humanities (6 credits from two different departments, such as Africana Studies, Classics, Communication, English, History of Art and Architecture, Foreign Language, Music, Philosophy, Religious Studies, Studio Arts, and Theatre Arts)

Social Sciences (6 credits from two different departments, such as Anthropology, Economics, Geography, History, Political Science, and Sociology)

Plus, 6 additional credits selected from Humanities, Social Sciences, Psychology, or History and Philosophy of Science

School of Social Work

To transfer to the Bachelor of Arts in Social Work major in the **School of Social Work**, a minimum Quality Point Average of 2.0 (based on 4.00) is required and you must have completed a minimum of 60 credits, distributed as follows:

Humanities - 9 credits in classes such as Communications, Foreign Languages, Literatures, Philosophy, Music, and Theatre Arts

Social Sciences - 9 credits in classes such as Anthropology, Africana Studies, Economics, History, Political Science, and Sociology

Natural Sciences - 9 credits in classes such as Biological Sciences, Chemistry, Computer Science, Geology and Planetary Science, Physics, Psychology

Other Courses - preferably in the Social Sciences (33 credits)

Students who are seeking to transfer must submit a transfer application to:

University of Pittsburgh
Office of Admissions and Financial Aid
4227 Fifth Avenue
Alumni Hall
Pittsburgh, PA 15260

Transfer students must submit official transcripts of all courses taken at post-secondary educational institutions, colleges, universities, etc., whether or not it is intended that such credits be counted towards a degree at the University of Pittsburgh. To be accepted, credits must be evaluated and approved by the BASW program director, or his or her designate, in consultation with the Associate Dean for Academic Affairs. If the student is admitted to the program, the advanced-standing credits are not used for future computation of the QPA.

All credits eligible for advanced standing are subject to the following limitations:

- ◆ Credits earned by the student at another institution will be accepted only if the quality of the credits earned is at least a C grade or better, per University of Pittsburgh Transfer Credit Policy.
- ◆ Academic credit for field work will be awarded only for field work completed at an undergraduate social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- ◆ Courses for which credit is sought must correspond with those offered by the University of Pittsburgh in objectives and content, as explicated in the University of Pittsburgh's [The Pitt Connection](#).

- ◆ The number of credits reduced or granted for a given course can neither exceed the number on the official transcript from the School where they were earned, nor the number earned in the corresponding course at the University of Pittsburgh.
- ◆ No transfer credits can be part of the final thirty credits required for the BASW degree. The final thirty credits must be earned in residence at the University of Pittsburgh.
- ◆ All transfer credits are subject to re-evaluation if and when the student transfers from one school to another within the University of Pittsburgh.
- ◆ Not more than 90 credits may be transferred from four-year schools and no more than 60 credits can be transferred from two-year schools. This decision is made on the basis of the last school attended, according to the University of Pittsburgh Transfer Credit Policy.
- ◆ If a course for which transfer credit has been awarded is repeated, the transfer credit is cancelled and the student must enroll in another course to make up those transfer credits.
- ◆ Transfer credits awarded by the University of Pittsburgh's College of General Studies from the College Level Examination Program (CLEP) will be accepted consistent with the aforementioned policies.
- ◆ Transfer credits awarded by the University of Pittsburgh's College of Arts and Sciences for advanced placement will be accepted consistent with the aforementioned policies.
- ◆ Consistent with the Council on Social Work Education's Educational Policies and Accreditation Standards, the School of Social Work's BASW Program does not grant transfer credits or exemptions for prior life or employment experience.
- ◆ Transfer credits for liberal arts courses in which the student has received a C grade or better do not have a statute of limitations, though the BASW Program reserves the right not to accept liberal arts courses for transfer if the content is deemed outdated.
- ◆ Transfer credit for social work courses in which the student has received a C grade or better must have been completed within the previous seven academic calendar years at a social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- ◆ Transfer credits will be calculated by the Student Services Specialist assigned to the BASW Program, and included in the student's permanent record prior to registration for the Spring Term following the student's matriculation into the BASW Program.
- ◆ A student may appeal a negative ruling regarding transfers credit to the Academic Review and Academic Integrity Committee, following the procedures described in the [Student Handbook](#) for filing student grievances.

Applicants will be evaluated on:

- A. Overall academic record
- B. Three letters of reference
- C. Individual response to a three-part question

For an admissions application and supplemental application materials, contact the Office of Admissions and Financial Aid. For further information, contact:

**Articulation Agreement
between
Community College of Allegheny County
And
University of Pittsburgh
School of Social Work**

The Community College of Allegheny County (CCAC) and the School of Social Work (SSW) at the University of Pittsburgh recognize the need and importance of facilitating the transfer of students from one institution to the other as they pursue their educational goals. In an effort to ensure transfer students be treated on an equal basis, and to make full resources of both institutions available to the students, the college and the school enter into the following articulation agreement.

Admissions Process:

Students who are pursuing a CCAC Associate in Science (Social Work Technician) as described in the 2005-206 Catalog of the Community College of Allegheny County will follow the academic program specified by CCAC. Once completed, the student will submit the University of Pittsburgh Transfer Application and the School of Social Work Admissions Application, along with all required official academic transcripts and documents to the University of Pittsburgh.

The complete agreement can be viewed at:
