If questions are unanswered, the FAAS will be returned to you. This will delay the processing of your financial aid application and will affect the date that your application is considered complete.

If any of the information you submit on the FAAS changes after you have returned it to the Office of Admissions and Financial Aid, it is your responsibility to update the FAAS to ensure accurate processing of your financial aid application. Corrected information should be provided to the Office in writing.

Requested signatures must be provided. **If any of this information changes after you submit your FAAS to our Office, you are responsible to report the corrections in writing to the Office of Admissions and Financial Aid.** It is critical that information concerning grant and scholarship assistance awarded you be accurate.
-  **Question 6** If you have been awarded financial aid from a source outside the University of Pittsburgh, it must be reported. Indicate both the name of the scholarship or grant and the dollar amount of the award for the 2013-14 school year.
