

# **The CCBC/Pitt Connection Transfer Guide**

**Office of Admissions and Financial Aid  
University of Pittsburgh  
10/21/2009**

Dear Prospective Transfer Student,

Greetings, and welcome to the online version of the ***CCBC/Pitt Connection Transfer Guide***.

I hope that you find it to be a useful tool as you plan your academic program in anticipation of your successful transfer to the University of Pittsburgh. I also encourage you to work closely with both your Transfer Counselor at CCBC and the Office of Admissions and Financial Aid at Pitt as you plan your coursework.

We look forward to your becoming a member of the University of Pittsburgh community and to working with you as you pursue your academic and professional goals.

Good luck with your studies, and remember to keep in touch as you progress toward your transfer to the University of Pittsburgh.

Best Wishes,

Colleen O'Neil  
Transfer Counselor  
Office of Admissions and Financial Aid

# Using The Pitt Connection Transfer Guide

The **Pitt Connection Transfer Guide** is a resource designed to assist you with:

- **Planning** your CCBC coursework
- **Maximizing** the number of credits you can earn at CCBC
- **Learning** important information about academic requirements at Pitt

It is divided into several sections. First, you should familiarize yourself with the University's **General Transfer Policies**. Next, the **Bachelor of Arts and Bachelor of Sciences School of Arts and Sciences Degree Requirements** section includes a **worksheet** that you can use to keep track of the courses that you have completed that will satisfy those requirements at Pitt.

The section on **Transferable Courses** contains an alphabetical listing of all the community college courses that will transfer to Pitt. The CCBC course is listed in the first column, its Pitt equivalent (if one exists) is in the second and third columns, the number of credits it will transfer as is in the fourth column, and the specific Pitt graduation requirement (**Foundational Skills, Disciplinary Approaches, or Elective**) that it satisfies is in the fifth column. Use this section in conjunction with the **worksheet** to chart your progress.

There are also sections that include information about transfer to **the College of Business Administration, College of General Studies, and the Schools of Education, Engineering, Health and Rehabilitation Sciences, Information Sciences, Nursing, Pharmacy, and Social Work**.

**IMPORTANT:** The provisions and contents of this document are subject to change at any time at the University's sole discretion. It is intended to serve only as a general source of information about the University and is in no way intended to state or imply contractual terms.

# School of Arts and Sciences

## General Transfer Policies

The **School of Arts and Sciences** offers the degrees of Bachelor of Arts and Bachelor of Science. All natural science majors are awarded Bachelor of Science Degrees. If you complete a major outside the natural sciences, you will be awarded the Bachelor of Arts Degree.

**GENERAL GUIDELINES FOR CREDIT TRANSFER TO Arts and Sciences: All credits available for transfer are subject to the following guidelines.**

1. Only courses that have reasonable counterparts in the School of Arts and Sciences curriculum are eligible for transfer (see guideline 6 for exception).
2. The number of credits granted for a given course cannot exceed the number on the transcript from the school where they are earned, nor, usually, can it exceed the number earned in the corresponding course in the School of Arts and Sciences.
3. No transfer credits can be part of the final 30 required for a degree. These must be earned in residence. In interpreting this regulation, credits earned on regional campuses are considered as transfer.
4. All transfer credits must have been earned within 12 years of the date when the Arts and Sciences degree requirements will be completed.
5. All transfer credits are subject to re-evaluation if and when you transfer from one school to another within the University of Pittsburgh.
6. A maximum of 18 non-School of Arts and Sciences credits may be counted in the minimum of 120 required for graduation.
7. If another school at Pitt transfers a class, it can be transferred to Arts and Sciences in the non-AS category. A minimum of 18 credits in this category can count towards graduation.
8. At least 50 percent of the credits required in your major subject must be earned in Arts and Sciences
9. Not more than 60 credits may be transferred from a two-year college. No more than 90 may be transferred from a four-year college. If 60 or more credits have been earned at a four-year school, no transfer credit will be granted for credits earned subsequently at a two-year school.

10. If a course for which advanced-standing credit has been granted is repeated, the advanced-standing credit is canceled.
11. Course work earned in approved foreign study programs may not constitute more than 15 of the final 30 credits. These credits are awarded on a Satisfactory/Audit basis. In addition, 30 of the last 60 credits must be earned in residence.

**CLEP:** CLEP (Credit for Life Experience) credits do not transfer to the School of Arts and Sciences; however, if you feel you could pass a test in a certain subject for credit, consider **Credit by Examination**. With **Credit by Examination**, students may earn credits toward graduation by taking a special examination. Each test for credit by examination must be arranged with the department offering the course for which credit is desired. The examination must be in a specific course offered by the Faculty of Arts and Sciences. Departments set their own policies as to the specific courses for which students may request credit by examination, the time and type of examination, and the number of courses among those required for the major for which credit may be earned for examination. Normally, the examinations are administered in September.

#### **GUIDELINES AND SUGGESTIONS FOR STRUCTURING YOUR CURRICULUM:**

The structure of a degree from Arts and Sciences varies depending on your major and how many classes you need to take to fulfill skills and graduation requirements. Typically, Skills and General Education requirements fill from 51 to 68 of the 120 credits required for a degree, and your major, from 30 to 82 credits.

If you wish to transfer to the School of Arts and Sciences at Pitt in the future, we suggest that you concentrate on the following at your present college:

1. Satisfy the Skills requirements, ie, Composition, Algebra, Foreign Language (algebra and general writing **MUST** be completed before transfer to Arts and Sciences)
2. Begin taking comparable courses to meet the General Education Requirements.
3. Begin taking the introductory courses in your expected major.

# Bachelor of Arts and Bachelor of Science Arts and Sciences Degree Requirements

The faculty of the School of Arts and Sciences has defined a set of curricular requirements to be satisfied by all Arts and Sciences students. These requirements, which form the foundation of a liberal arts education, are of two types: Foundational Skills and Disciplinary Approaches.

**A. FOUNDATIONAL SKILLS REQUIREMENTS: These requirements assist students in developing the skills in writing and quantitative reasoning that provide the foundation for future learning. (Minimum 6 credits)**

## 1. Writing Requirements:

The writing requirement consists of:

- a. Basic Writing \_\_\_\_\_
- b. Seminar in Composition \_\_\_\_\_
- c. Writing Intensive courses (2): The W-courses involve a significant amount of writing and are taken by students after they have completed the General Writing requirement. Community College students should take them after they transfer to CAS.

## 2. Quantitative and Formal Reasoning

- a. Algebra\_\_\_\_\_
- b. Quantitative\_\_\_\_\_

**B. Disciplinary Approaches (46 Credits)**

## 1. Humanities Requirements:

- a. First Level Literature:\_\_\_\_\_
- b. First-level Music or Art:\_\_\_\_\_

c. Creative Expression/Second Level Literature or Art:

\_\_\_\_\_

d. Philosophy: \_\_\_\_\_

## 2. Social Science Requirements

a. Social Science: \_\_\_\_\_

b. History: \_\_\_\_\_

\_\_\_\_\_

**3. Natural Science Requirements:** Three courses in the natural sciences that introduce students to scientific principles and concepts. Students must take courses from at least two different departments.

a. Course one: \_\_\_\_\_

b. Course two: \_\_\_\_\_

c. Course three: \_\_\_\_\_

## 4. Global Citizenship Requirement

### Foreign Language (Two-term sequence of the same language)

a. Level One \_\_\_\_\_

b. Level Two \_\_\_\_\_

All Arts and Sciences students are required to demonstrate elementary proficiency in a foreign language in one of the following ways:

- a. Three years of study of a single foreign language in high school, passed with an average grade of C or better over three years.
- b. A score of 450 or better on a CEEB foreign language achievement test. Students should notify the Dean's Office if they qualify for this option.
- c. Completion of the first and second levels of a foreign language at the University of Pittsburgh with minimum grades of C-.
- d. Completion of a second level foreign language course earned at another college with a grade of C or better.

## Foreign Culture/International Courses

There are three categories: Regional (R), Comparative (C) and Global (G). At least two of the three categories must be covered with (a), (b), and (c). Category (d) must be a non-western (NW) course, which may overlap with another general education requirement.

a. \_\_\_\_\_

b. \_\_\_\_\_

c. \_\_\_\_\_

d. \_\_\_\_\_ (Non-Western).

# CCBC Courses Transferable to the University of Pittsburgh

Nothing from the following areas transfers:

**ARCH (Architectural/ Engineering Drafting)**  
**AVIC/AVIP (Aviation)**  
**BUSC (Business Communication)**  
**BE/BH (Business Education)**  
**CULA (Culinary Arts)**  
**DEVS (Developmental Courses)**  
**ER (Early Childhood)**  
**ELEC (Electronic Engineering Technology)**  
**ENVR (Environmental Technology)**  
**MSHT (Multi-skilled Health Technician)**  
**OFFT (Office Technology)**

# College of Business Administration

The University of Pittsburgh's **College of Business Administration (CBA)** awards the Bachelor of Science in Business Administration (BSBA) degree with majors in:

- Accounting
- Finance
- General Management
- Global Management
- Marketing

CBA is the undergraduate division of the Katz Graduate School of Business. Both Katz and CBA are fully accredited by the Association to Advance Collegiate Schools of Business (AACSB International), the premier accrediting agency for degree programs in business. CBA has consistently been ranked in the top 10% of accredited business programs by *US News and World Report*.

## Transfer Admission to CBA

Admission is available for the Fall (August), Spring (January), and Summer (May) Terms on a rolling basis. To ensure full consideration, please apply as early as possible. The BSBA Program may be completed full-time or part-time, in the daytime or evening.

## Transfer Process and Approved Courses

It is recommended that you complete at least 30-45 credits at CCBC prior to transferring to CBA. With careful planning, it is possible to transfer up to 60 credits from CCBC to CBA. To best prepare for admission to CBA, make sure to take the following courses while you are at CCBC:

- MATH 160 Calculus I (4 credits)
- BUSM 255 Macroeconomics (3 credits)
- BUSM 256 Microeconomics (3 credits)
- PSYC 101 General Psychology (3 credits)

These courses will transfer to CBA and will be considered heavily in the admissions process. While at CCBC, you may also complete courses that fulfill the CBA general education requirements, as well as take approved business courses.

Other requirements that you may choose to complete while at CCBC are as follows:

- WRIT 101 English Composition (3 credits)
- Foreign language (if needed, see language requirement) – a two-course sequence
- English literature—one course
- Music/Art—one course
- Philosophy—one course

- Social Sciences—two courses in two different departments
- Natural Sciences—two courses
- Foreign Culture—two courses
- Introduction to Business course
- Organizational Behavior course
- Human Resources Management course
- Principles of Marketing course
- Accounting courses

CCBC courses approved to meet these requirements are listed on the following pages.

### **Admission to CBA**

For admission, CBA suggests that community college students earn a cumulative 3.0 QPA or higher. We also will look for a 3.0 or higher average earned in the four required courses previously listed (calculus, macroeconomics, microeconomics, and psychology). CBA calculates the average earned in these required courses without including the effect of course repeats. The original earned grade will be counted.

### **When scheduling, remember...**

- You must earn a grade of 'C' or better in a course for it to transfer.
- You may need to take other math and/or English courses before taking the calculus and English composition courses listed here. In particular, given that you may need to take several math courses prior to taking calculus, we suggest you begin taking math courses early on (preferably in your **first semester**). Your performance in math coursework will be an important factor in the admission process. See your advisor for details.
- If you haven't already fulfilled CBA's **foreign language** requirement with high school coursework (see foreign language section on the next page), you may complete it before transferring to Pitt.
- Because of additional requirements in foreign language and study abroad, students pursuing CBA's global management major are advised to plan for transfer to CBA relatively early on, after 30-45 credits for example. Students are encouraged to begin foreign language study while at the community college and to contact CBA Admissions about planning for this major. Completion of the global management major is likely to require 5-6 semesters of enrollment in CBA.

If you have questions about scheduling classes, contact your academic advisor or call CBA at 412.383.9600 for assistance.

## CBA Skills and General Education Requirements

The CCBC courses below are approved to meet the following CBA general education requirements. The requirement fulfilled as well as the Pitt course equivalent is indicated.

*Please note: You will notice that sometimes “non-equivalent” transfer credit is awarded (ENGLIT 0000 for example). This means that the coursework transfers, just not as a specific Pitt course. It does fully meet the specified CBA requirement.*

<b>Writing Requirement</b>			
<b>CCBC Course</b>	<b>Credits</b>	<b>Pitt course (equivalent)</b>	<b>Credits</b>
WRIT101 English Composition 1	<b>3</b>	ENGCMP 0200 Seminar in Composition	<b>3</b>

**Foreign Language Requirement**—fulfilled by 3 years of the same language (with a C average or better) in high school. Otherwise, levels 1 and 2 of a language in college are required. This is a good requirement to complete before transferring to Pitt. Complete both courses before transferring.

<b>Complete one two-course sequence below.</b>			
<b>CCBC Course (you take)</b>	<b>Credits</b>	<b>Pitt course</b>	<b>Credits</b>

# College of General Studies

The **College of General Studies (CGS)** offers a variety of options leading to a Bachelor of Arts or Bachelor of Science degree. Majors in Administration of Justice, Health Services, Humanities, Legal Studies, Liberal Studies, Media and Professional Communications, Natural Sciences, Public Service, and Social Sciences are offered directly by CGS. Administration of Justice, Humanities and Social Sciences majors are also available on Saturday. Transfer credit agreements have been established for the Criminal Justice program at the Community College of Beaver County (CCBC) and CGS; this agreement is available from the CCBC transfer counselors or from the College of General Studies.

Students interested in an arts and science major in Chemistry, Communications, Computer Science, Economics, English Literature, English Writing, History, History of Art and Architecture, Mathematics, Philosophy, Political Science, Psychology, or Sociology can begin their studies in the College of General Studies, complete requirements for the degree in the evening or Saturday, and graduate from the School of Arts and Sciences (SAS).

Students can also complete prerequisite courses through CGS and qualify for admission to one of seven other University programs: Business Administration, Engineering, Health and Rehabilitation Sciences, Information Science, Nursing, Pharmacy, and Social Work.

CGS is located on the 4<sup>th</sup> floor of the Cathedral of Learning. You can contact CGS at (412) 624-6600, fax number is (412) 624-3836, and email address is [cgs@pitt.edu](mailto:cgs@pitt.edu).

## Requirements for the Degree

Listed below are the requirements for the bachelor's degree in the College of General Studies and the CCBC courses which can be used to fulfill these requirements. In some cases, "commonly transferred courses" are listed; these represent only a few of the courses available through CCBC. Students wishing to see a more expanded listing should see their CCBC transfer counselors for a copy of the CCBC/CGS transfer manual.

### Skills

#### Oral Communication: Choose one course

- COMM 101 Oral Communication
- COMM 201 Public Speaking

#### Writing: Choose two courses

- JOUR 101 Journalism
- WRIT 101 English Composition I
- WRIT 102 English Composition II
- WRIT 103 Writing for Business and Technology
- WRIT 201 Creative Writing Workshop

#### Mathematics: Choose one course

- MATH 130 College Algebra
- MATH 140 Trigonometric Functions
- MATH 155 Pre-Calculus

#### Quantitative and Formal Reasoning: Choose one course

- CIST 160 Visual Basic I
- CISW 205 Programming in C#
- MATH 125 Discrete Mathematics
- MATH 135 Statistics
- MATH 160 Calculus I
- MATH 161 Calculus II
- PHIL 205 Logic

### Understandings

#### Humanities: Choose two courses total

One each from two different departments

- BUSC 110 Interpersonal Communication
- FILM 101 Cinema as Art
- FINE 100 Art Appreciation
- FINE 110 Drawing

FINE 111	Painting
FINE 210	Design
FINE 225	History of American Art
LITR 207	Intro to Poetry
LITR 208	Drama
LITR 218	Literature for Children
LITR 224	The Literature of the Bible
LITR 225	Mythology
LITR 240	Shakespeare
LITR 250	Contemporary Literature
LITR 260	American Literature
LITR 262	British Literature
MUSI 101	Introduction to Music
PHIL 101	Introduction to Philosophy
THEA 101	Theatre Arts I
VISH 110	Understanding Media

**Social Sciences: Choose two courses total**

**One each from two different departments**

ANTH 101	Principles of Anthropology
ANTH 105	Cultural Anthropology
BUSM 255	Macroeconomics
BUSM 256	Microeconomics
CRIM 230	Criminology
HIST 101	Western Civilization I
HIST 102	Western Civilization II
HIST 111	US History I
HIST 112	US History II
HIST 215	African American History
POLS 101	American National Government
PSYC 102	General Psychology II
PSYC 105	Social Psychology
PSYC 208	Abnormal Psychology
PSYC 212	Psychology of Gender Differences
PSYC 215	Organizational Psychology
SOCI 101	Principles of Sociology
SOCI 115	Marriage and Family
SOCI 150	Sociology of Sport
SOC 210	Contemporary Social Problems

**Natural Sciences:** Choose three courses total, representing at least two different departments

BIOL 101	General Biology I
BIOL 102	General Biology II
BIOL 205	Ecology
BIOL 210	Genetics
CHEM 100	Intro to Chemistry
CHEM 101	General Chemistry I
CHEM 102	General Chemistry II
PHYS 101	College Physics I
PHYS 102	College Physics II
PHYS 110	Intro to Astronomy
PSYC 101	General Psychology I
PSYC 106	Human Growth and Development

**Literature:** Choose one course

LITR 207	Intro to Poetry
LITR 208	Drama
LITR 218	Literature for Children
LITR 224	The Literature of the Bible
LITR 225	Mythology
LITR 240	Shakespeare
LITR 250	Contemporary Literature American
LITR 260	Literature
LITR 262	British Literature

**History:** Choose one course

HIST 101	Western Civilization I
HIST 102	Western Civilization II
HIST 111	US History I
HIST 112	US History II
HIST 215	African American History

### International Perspective: Choose two courses

FINE 100	Art Appreciation
FREN 101	French I
FREN 102	French II
FREN 103	French III
HIST 101	Western Civilization I
HIST 102	Western Civilization II
LITR 225	Mythology
LITR 262	British Literature
SPAN 101	Spanish I
SPAN 102	Spanish II
SPAN 103	Spanish III

Courses may also be taken at CCBC to fulfill CGS major requirements and transferred courses not used in the categories above may be used as electives. Normally a maximum of 60 credits, graded C or better, can be transferred; if CLEP credits are used, a combination of CLEP and CCBC credits cannot exceed 60.

### **Major Programs in CGS**

#### ***Multi-disciplinary majors***

Say you're interested in history, but you want a broader major that also includes legal studies and political science. With a multi-disciplinary major, you can study a general area instead of a specific major. Instead of drawing your major courses from one department, you can choose courses from three departments within the central theme.

Multidiscipline programs give students more control and more choices in the courses they take to complete their major. They also allow you to gain several points of view regarding a central subject matter. To satisfy each of these programs students can choose courses from departments within the central theme, with one of the departments representing a majority of the coursework.

#### ***Multi-disciplinary majors:***

##### **Humanities (BA)**

Choose courses from three of the following departments: Africana studies, classics, communication, English, German, history of art and architecture, linguistics, music, philosophy, religious studies, Spanish, studio arts, theatre arts.

**Pre-education Option** - This major can incorporate all of the prerequisite coursework needed for admission into the certificate program in Comprehensive English Education

in Pitt's School of Education. This option may be used by students interested in the Professional Year or the Master of Arts in teaching programs offered in the School of Education. Completion of the prerequisites does not guarantee acceptance.

### **Legal Studies (BA)**

This interdisciplinary course of study combines the theories and methods of several social science disciplines and law. It is not designed as a pre-law program; its goal is to enable you to develop an understanding of the nature, content, and operation of American law and legal institutions. Courses in the legal studies major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). Participating faculty members include attorneys practicing in fields of law ranging from criminal prosecution and defense, to environmental law, consumer law, and family law.

Students with QPA of 3.5 or better planning to pursue graduate work may want to consider one of the following early admission options. To students who qualify, the Graduate School of Public and International Affairs offers the five-year [BA/MA program](#). Students pursuing a Legal Studies major may obtain the Master of Studies in Law (MSL) degree in a joint program in which credits obtained in the MSL program also count toward the bachelor's degree.

### **Liberal Studies (BA)/School of Education Certification Program**

The College of General Studies and the School of Education have collaborated on a curriculum under the liberal studies program that incorporates all of the prerequisite coursework needed for admission into the Instructional 1 Certification programs in Early Childhood Education and Elementary Education . These options may be used by students interested in the Professional Year or the Master of Arts in Teaching programs offered in the School of Education. Completion of the prerequisites for the School of Education does not guarantee acceptance to their programs. See an academic advisor for specific requirements.

### **Natural Sciences (BS)**

Choose courses from three of the following departments: anthropology, astronomy, biological sciences, chemistry, geology and planetary science, history and philosophy of science, neuroscience, physics, psychology.

**Pre Education Option** - This major can incorporate all of the prerequisite coursework needed for admission into the certificate programs in Earth and Space Science and General Science. This option may be used by students interested in the Professional Year or the Master of Arts in teaching programs offered in the School of Education. Completion of the prerequisites does not guarantee acceptance.

**Pre-Medicine Option** - This natural sciences concentration incorporates the course work needed for admission to most medical and dental programs. Completion does not guarantee acceptance into graduate study.

### **Self-Designed (BA or BS)**

The Self-Designed major enables highly motivated nontraditional students to pursue a unique program of studies for compelling professional or academic reasons. The self-designed major must be multidisciplinary, including courses from more than two departments or schools. It must have the same academic quality as existing CGS majors, and it must be substantially different from CGS majors. **Faculty approval is required.**

### **Social Sciences (BA)**

This major can be customized to meet your personal interests and career goals. Choose courses from three of the following departments: Africana studies, anthropology, economics, history, Jewish studies, legal studies, political science, psychology, religious studies, sociology, urban studies, women's studies.

### **Professional Majors**

In addition to the multidisciplinary programs that are available, the College of General Studies offers professional major programs. Although these are still liberal arts majors, they are more specific in nature and are tailored to a particular course of study or career. For each of these programs, a minimum of at least 30 credits is required in the specific discipline.

#### ***Professional Majors:***

#### **Administration of Justice (BA)**

Develop your understanding of the evolution, theory, structure, functioning, and process of change in the system of American criminal justice. Choose one of these three specialized areas: Adult and Juvenile Corrections, Law Enforcement Practice, or Forensics. Courses in the administration of justice major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). Participating faculty members include attorneys, prison administrators, judges, law enforcement officials, and criminal justice researchers. GSPIA also offers a five-year [BA/MA program](#) to students who qualify.

**Dental Hygiene (BS \*degree completion only)** If you have graduated from an accredited dental hygiene program, this major provides you with the opportunity to complete a Bachelor of Science degree. [Articulation Agreements](#) have been established between the College of General Studies and the Dental Hygiene Certificate

Program with five area community colleges for degree completion for licensed dental hygienists.

### **Health Services (BA)**

Our Health Services major is designed to build communication, management, analytical, and leadership skills, while relating all to the health services field. You can choose one of two tracks in this interdisciplinary course of study:

**Managing Health Services Programs and Projects** gives students key administrative and business skills with an emphasis on grant and research project management.

**Community Health Assessment** provides an understanding of the physical, social, and behavioral factors influencing health.

### **Health Services (BS)**

This major is for health professionals who have completed professional training and would now like to earn a Bachelor of Science degree. Recognition for the professional training you received, including specific transfer credit agreements with community colleges, provide the foundation of your degree.

### **Media and Professional Communications (BA)**

This major features a dual emphasis on providing students with a rigorous education in the theories of mass media process, history, and ethics, as well as the opportunity to specialize in one of three professional practice areas: Corporate/Community Relations, Writing for the Professions, or Digital Media. The three tracks are designed to strengthen both the knowledge base and proficiencies of students pursuing careers in communications fields, such as print, television, radio, film, new media, or corporate/organizational communications. This program will also benefit students pursuing careers in a variety of industries in which communication with internal and external publics is critical.

### **Public Services (BA)**

This major prepares students for careers that are focused on the resolution of public problems or the delivery of public services at the local, state, national, or international level. Students take a common core and then choose one of three concentration areas: Public Administration, Nonprofit Management, or a self-designed concentration. Courses in the Public Service major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). GSPIA also offers a five-year [BA/MA program](#) to students who qualify.

# School of Education

## Applied Developmental Psychology

The Bachelor of Science in Applied Developmental Psychology is offered through the School of Education. Entrance to the program is at the junior year level, Fall Term, full or part-time, after earning a minimum of 60 college semester credits, including the following prerequisite classes:

### Prerequisites:

- English Composition (equivalent to the University of Pittsburgh general writing requirement) - 3 cr.
- Developmental Psychology (or equivalent) - 3 cr.
- Other courses broadly distributed in humanities, social sciences, and natural sciences.

For more information, please visit the Applied Developmental Psychology website at <http://www.education.pitt.edu/adp/index.aspx> or call 412-624-0306.

## Health and Physical Activity

The Bachelor of Science in Health and Physical Activities offers two areas of specialization – Exercise Science and Wellness. Students can enter these School of Education programs at the junior year level, Fall Term, full or part-time, after earning a minimum of 60 college semester credits, including the following prerequisite classes:

### Prerequisites:

- English Composition (equivalent to the University of Pittsburgh general writing requirement) - 3 cr.
- Other courses broadly distributed in humanities, social sciences, and natural sciences.
- First level Biology, Chemistry, Physics, and Intro to Psychology or three out of the four.

For more information, you may visit the website at <http://www.education.pitt.edu/hpaprogram/> or call (412) 648-8320.

**Teacher certification** for elementary and secondary education are post-baccalaureate programs that are completed in the **School of Education** in the fifth year, or after the student earns his or her bachelor's degree from the College of Arts and Sciences or from another accredited institution. A Master of Arts in Teaching (MAT) option is also available.

An Education advisor can augment the work of the advisor in your major by recommending courses that fulfill both general CAS requirements and prerequisites for the teaching program. The advisor in Education can also evaluate transcripts from other schools for students hoping to transfer to the University of Pittsburgh.

For additional information on prerequisites and other details about programs in Education related to Teacher Certification, you may call (412) 648-2283.

# Swanson School of Engineering

Transfer applicants to the **Swanson School of Engineering** must indicate a specific major. The available engineering majors are:

- Bioengineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Engineering Physics
- Engineering/SAS Joint Degree
- Industrial Engineering
- Materials Science
- Mechanical Engineering

The **Swanson School of Engineering** curriculum is highly structured from the freshman through the senior year. We recommend that you follow the curriculum closely, as only courses that are an integral part of your proposed degree program and for which you've earned a "C" grade or better will be considered for transfer. No more than 60 credits will be accepted for transfer from a community college.

Students with a cumulative grade point average of 2.8 or better will be considered for admission to the Swanson School of Engineering. Bioengineering applicants need a cumulative GPA of 3.5 or higher. Transfer students are admitted within the limit of spaces available in the individual departments. You are advised to follow the freshman curriculum outlined on the following pages.

For additional information, please feel free to contact the Swanson School of Engineering at 412-624-9825.

# University of Pittsburgh Swanson School of Engineering Curriculum

## FRESHMAN YEAR

First Term		
At Pitt:	Credits	At CCBC you take:
Analytic Geometry and Calculus 1 (Math 0220)	4	MATH 160
Humanities or Soc. Science Elective	3*	See course equivalents list
Chemistry 0960	3	CHEM 101
Physics 0174	3	NE
Introduction to Engineering Analysis (ENGR 0011)	3	
Freshman Seminar (Engr 81)	0	NE
<b>Total</b>	<b>16</b>	

Second Term		
At Pitt:	Credits	At CCBC you take:
Analytic Geometry and Calculus 2 (Math 0230)	4	MATH 161
Humanities or Soc. Science Elective	3*	See course equivalents list
Chemistry 0970	3	CHEM 102
Physics 0175	3	NE
Introduction to Engineering Computing (ENGR 0012)	3	NE
Freshman Seminar (Engr 0082)	0	
<b>Total</b>	<b>16</b>	

## SOPHOMORE YEAR#

Second Term		
At Pitt:	Credits	At CCBC you take:
Analytic Geometry Calculus III (Math 0240)	4	NE
Matrix Theory and Diff. Eq. Math 0250)	4	NE

\*No more than three (3) humanities or social science electives will be accepted from a community college.

\*\*Courses recommended for the sophomore to senior years vary according to the specific major. Consult the Swanson School of Engineering Bulletin for more information, or call the Swanson School of Engineering at (412) 624-9825.

All engineering programs are subject to change without advance notice.

## **SWANSON SCHOOL OF ENGINEERING ENGLISH WRITING REQUIREMENT**

To ensure that all engineering students attain a reasonable level of competence in writing, the School of Engineering requires students to complete two levels of English writing courses. The two levels include: 1) a basic English *composition* course; and, 2) a course where students will gain *writing experience* in a specific academic subject area. The writing requirement is further explained below.

### **I. COMPOSITION**

All students enrolled in the Swanson School of Engineering are expected to complete the University of Pittsburgh's basic English composition course entitled *General Writing-Intensive* (GWI). However, transfer students have several options.

- A. Engineering transfer students who have prior college-level writing experience may request an assessment of their skill level by either
  - 1. taking a Writing Placement Test; or,
  - 2. submitting for review two college-level writing samples. An evaluation of the test results/writing samples will determine placement in or exemption from the GWI course.\*
  
- B. Community College of Beaver County (CCBC) students who have earned a grade of a "C" or better ("C-" is unacceptable) in WRIT 101 *English Composition I* will be automatically waived from taking GWI at the University of Pittsburgh (Pitt). CCBC students who have not completed WRIT 101 or have earned below a grade of "C" in the course will be required either to take the GWI course or follow the assessment options outlined in paragraph A.
  
- C. Students with an SAT verbal score of 600 or higher will be waived from taking the GWI at the University of Pittsburgh.

### **II. WRITING EXPERIENCE**

In addition to the composition requirement, all engineering students must take one writing course, designated in the University of Pittsburgh course description listings as "WRIT". Students may fulfill the writing experience requirement by taking a course in any area, including but not limited to Humanities, Social Sciences or Natural sciences.

*Student's transferring from a community college must take the writing experience course at the University of Pittsburgh; therefore, no such courses will be accepted for transfer from a community college.* Students must abide by the writing assessment results and can choose only one of the options. Engineering transfer students should consult with their academic advisors for specific instructions for taking the placement test or submitting the writing samples.

# School of Health and Rehabilitation Sciences

The School of Health and Rehabilitation Sciences (SHRS) offers undergraduate majors in Athletic Training, Clinical Dietetics and Nutrition, Communication Science, Emergency Medicine, Health Information Management, and Rehabilitation Science. For admission, a student must have a minimum of 60 college credits including the specific prerequisite courses. Students should apply to the programs in the spring semester of their sophomore year when coursework is in progress. All admissions criteria must be met by the time the program begins in the Fall Term.

General admission criteria includes completion of a minimum of 60 credits, a minimum overall and prerequisite GPA of 2.5 with a grade of C- or better in all prerequisite courses. To be competitive for admission, a higher GPA is recommended/required for most SHRS programs.

Class size is limited and students are encouraged to submit applications early. A University of Pittsburgh Application for Transfer Students as well as the SHRS supplemental information must be completed. We highly recommend an appointment with the SHRS Director of Admissions to discuss the application and admission process.

Application deadlines:

Athletic Training	March 15
Clinical Dietetics & Nutrition	March 15
Rehabilitation Science	March 15
All other programs	Rolling Admissions

For further information:

Web page: <http://www.shrs.pitt.edu>  
E-mail: [admissions@shrs.pitt.edu](mailto:admissions@shrs.pitt.edu)  
Phone: (412) 383-6558  
Fax: (412) 383-6535

## Athletic Training

This CAATE-accredited program prepares students for certification by the National Athletic Trainers' Association. The curriculum leads to a Bachelor of Science degree in Athletic Training. Graduates are eligible for careers in a variety of clinical sports medicine settings working with active populations, or for further education at the graduate level conducting research central to the practice of sports medicine.

Admission is for the **Fall Term only**. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below. Admissions selections are based upon: overall minimum QPA of 2.5, completion of all prerequisites, personal interview, and personal qualities important for athletic training (i.e. enthusiasm, motivation, positive health habits, strong work ethic and time commitment). Additional requirements include the completion of prescribed observation hours in on-campus, high school and sports medicine clinic facilities under the direct supervision of a certified athletic trainer.

<b>Admission: Fall</b>	
<b>Admission Prerequisites:</b>	<b>At CCBC you may take:</b>
Biology with labs-4 credits	BIOL 101
Chemistry with labs-4 credits	CHEM 101
Introduction to Physics -4 credits	PHYS 101
Algebra-3 credits	MATH 101
Statistics-3 credits	MATH 115
Psychology-6 credits	PSYC 101, 106
Writing/English Composition-6 credits	WRIT 101, 102
Computer Science-3 credits	CIST 100
Public Speaking-3 credits	COMM 101
Basic Athletic Training/lab-4 credits	Must be taken at Pittsburgh Campus
Emergency Medical Technician-4 credits	PUBS 014
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

## Clinical Dietetics and Nutrition

Dietitians are the health professionals who apply scientific knowledge to guide people in selecting foods to meet their health needs. The curriculum offers courses in food and nutrition sciences, nutrition therapy and includes supervised practice experiences that are required for eligibility to take the national registration examination for dietitians.

<b>Admission: Fall Term only</b>	
<b>Admission Prerequisites:</b>	<b>At CCBC you may take:</b>
Biology-6-8 credits	BIOL 101 and 102
Chemistry with labs-8 credits (Labs required)	CHEM 101, 102
Organic Chemistry-6 credits (Labs not required)	
Computer Science-3 credits	Contact SHRS for suggestions
Economics-3 credits	BUSM 255
English Composition-3 credits	WRIT 101
English Writing-3 credits	
Math-3 credits	MATH 101
Intro to Nutrition-3 credits	(Course must be approved by SHRS)
Public Speaking/Oral Communication	COMM 101
Psychology-3 credits	PSYC 101
Sociology-3 credits	SOCI 101
Statistics-3 credits	MATH 115

## Communication Science Disorders

The Department of Communication Science and Disorders offers a Bachelor of Arts degree in Communication Science. This degree is appropriate for students interested in the professions of speech-language pathology and audiology. Practice in either of these professions requires further graduate study (a two-year master's degree in an accredited program), as well as completion of a clinical fellowship year.

It is recommended that students transfer into the communication science program in the fall term. The courses listed below are the general education requirements for this degree. It is advisable to include as many of these courses as possible in the 60 required credits. Courses not completed before transfer can be taken while fulfilling the remaining degree requirements at SHRS.

Pitt requirement:	At CCBC you may take:
<b>Basic Writing</b> (3 credits)	<b>WRIT</b> 101
<b>English Comprehension</b> (3 credits)	<b>WRIT</b> 101, 102
<b>'W' Writing courses</b> (2 courses)	(These courses to be taken at U of Pittsburgh after transfer)
<b>Algebra</b> (3 credits)	<b>MATH</b> 101, 102
<b>Quantitative Reasoning</b> (3 credits)	<b>MATH</b> 115, 121, 122
<b>Foreign Language</b> (3 yrs HS, or 2 <sup>nd</sup> level course at college)	<b>FREN</b> 102, <b>SPAN</b> 102
<b>Literature</b> (3 credits)	<b>LITR</b> 205, 207, 208, 224, 236, 240
<b>Music/Art</b> (3 credits)	<b>FINE</b> 100, 101, 102, 225, <b>MUSI</b> 101
<b>Creative Expression, or 2<sup>nd</sup> Lit, or 2<sup>nd</sup> Music, or 2<sup>nd</sup> Art</b> (3 credits)	<b>FINE</b> 110, 111, 210, <b>COMM</b> 201
<b>Philosophy</b> (3 credits)	<b>PHIL</b> 101, 201
<b>Social Science</b> (3 credits)	<b>BIOL</b> 110, <b>ANTH</b> 105, 110, <b>HIST</b> 101, 215, <b>PSYC</b> 105, 212
<b>History</b> (3 credits)	<b>HIST</b> 101, 102, 111, 112, 205, 206, 210, 215, 221, 228
<b>Public Policy, or 2<sup>nd</sup> Social Science, or 2<sup>nd</sup> History</b> (3 credits)	<b>HIST</b> 111, 112, 205, 206, 210, 221, 222; <b>POLS</b> 101, 102; <b>CRIM</b> 100, 230
<b>Natural Science</b> (9 credits=3 Physical+ 6 Life, or =6 Physical + 3 Life)	<b>Physical:</b> <b>CHEM</b> 101, 102, 201; <b>PHYS</b> 101, 102; <b>Life:</b> <b>BIOL</b> 101, 102, 105, 106, 115; <b>PSYC</b> 101, 208.
<b>International Culture</b> (9 credits-at least 1 nonwestern (NW) course)	<b>HIST</b> 101, 102, 221, 222 (No suitable non-western courses available at CCBC)

**Cluster Courses. One course must be from each section (15 credits total)**

1.	<b>Stats and Measurement</b>	<b>MA 115</b>
2.	<b>Biological/Neurological/Cognitive Basis of Communication</b>	<b>BIOL 101 and 102</b>
3.	<b>Philosophy of Science</b>	(No suitable courses offered at CCBC)
4.	<b>Sociocultural Studies</b>	<b>ANTH 105 PSYC 105, SOCI 210, 231</b>
5.	<b>Lifespan Development</b>	<b>PSYC 106, 210, 217</b>

Contact **Janice Vance, Academic Advisor** in the Department of Communication Science and Disorders for help with the transfer process and course selection, as well as for information about the professions of **speech-language pathology and audiology**. **Tel:** (412) 383-6562 **Email:** [vance@csd.pitt.edu](mailto:vance@csd.pitt.edu)

## Emergency Medicine

This program is designed to prepare students for the technical, clinical and administrative challenges in the EMS professions. The dynamic curriculum provides a strong foundation in clinical experiences, educational expertise and administrative leadership.

<b>Admission: All Terms</b>	
<b>Admission Prerequisites:</b>	<b>At CCBC you may take:</b>
English Composition-6 credits	WRIT 101, 102
Math-3 credits	MATH 101
Public Speaking-3 credits	COMM 101
Natural Sciences	3 credits
EMT with lab	PUBS 014
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

## Health Information Management

Graduates of this program develop health record and information systems for patient care, education, research, and reimbursement. The application of information technology throughout the curriculum enhances the student's knowledge of the health care system.

<b>Admission: Fall Term only</b>	
<b>Prerequisites:</b>	<b>At CCBC you may take:</b>
English Composition-6 credits	WRIT 101, 102
Psychology-3 credits	PSYC 101
Biology -3 credits	BIOL 101
Chemistry-3-4 credits	CHEM 100 or 101
Mathematics/Algebra- 2-3 credits	MATH 101
Statistics-3 credits	MATH 115
Public Speaking-3 credits	COMM 101
Computer Science-9 credits (must complete a programming course)	CIST 110, 160, 161, 212, 233
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

## Rehabilitation Science

The major in Rehabilitation Science is designed to prepare students for graduate education in areas such as physical therapy, occupational therapy, prosthetics and orthotics, physician's assistance, rehabilitation counseling, wellness and human performance, rehabilitation technology, as well as for graduate and professional studies in other areas of health care.

<b>Admission: Fall</b>	
<b>Admission Prerequisites:</b>	<b>At CCBC you may take:</b>
Biology with labs-4 credits	BIOL 101
Chemistry with labs-4 credits	CHEM 101
Physics with labs-4 credits	PHYS 101
Algebra-3 credits	MATH 130, 155, 160, or 161
Applied Statistics-3 to 4 credits	Equivalent course not offered
Psychology: General & Developmental-6 credits	PSYC 101 and 106
Writing/English Composition-6 credits	WRIT 101, 102
Computer Science-3 credits	CIST 100 or 106
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing & Fine Arts, Philosophy, Political Science, Religion, Sociology, or Visual Communications.

We recommend students interested in graduate health sciences programs should complete any additional prerequisites in biology, chemistry and physics while enrolled in CCBC. However, some of these courses can also be completed while enrolled in the Rehabilitation Science program.

# School of Information Sciences

The **Department of Information Science and Telecommunications** at Pitt offers the Bachelor of Science in Information Science (BSIS), a two-year program, which normally begins in a student's junior year. The BSIS program is designed to prepare students to assume professional responsibilities as system analysts and designers, database developers and managers, interactive system designers, information retrieval specialists, and other information related occupations. An education in information science has universal application throughout society—in banking, health care, pharmacy, libraries, judicial systems, communication, education, agriculture, private industry, and governmental agencies.

This transfer packet is designed to help you plan your curriculum at Community College of Beaver County (CCBC) so that you can achieve maximum transferability of classes and fulfill graduation requirements and/or prerequisite requirements for admission to the BSIS program. We suggest you use it while consulting with the Transfer Counselor at your campus.

## SKILLS AND GENERAL EDUCATION REQUIREMENTS

The following list is meant to help you complete some of the skills and general education requirements for the BSIS degree. CCBC courses that fulfill these requirements are listed along with SIS equivalencies. A grade of “C” or better is required for transferable credits. (Grade requirements exceptions noted below.)

### SKILLS REQUIREMENTS

**Writing** The writing requirement consists of two courses, as listed below. However, only one can be satisfied at CCBC.

CCBC Course	Credits	Pitt Course	Credits
WRIT 102 English Comp II	3	ENGCMP 0200 General Writing	3
		ENGCMP 0400 Written Prof Com	3

**Quantitative** The quantitative requirement can be satisfied by the following course

CCBC Course	Credits	Pitt Course	Credits
MATH 121 Calculus I	4	MATH 0220 Analytical Geo & Calc	4

### **Linguistics**

Equivalent course work not available at CCBC.

## GENERAL EDUCATION REQUIREMENTS

<b>Literature</b> (any one of the following)			
CCBC Course	Credits	Pitt Course	Credits
LITR 207 Intro to Poetry	3	ENGLIT 0315 Reading Poetry	3
LITR 210 Concepts in Lit	3	ENGLIT 0350 Literat Trad & New	3
LITR 224 The Literature of the Bible	3	ENGLIT 0597 Bible of Literat	3
LITR 225 Mythology	3	ENGLIT 1570 Myth & Folktales	3
HE 280 Drama	3	ENGLIT 0310 Dramatic Imaginat	3
LITR 208 Literature for Child	3	ENGLIT 1640 Lit for Child	3
LITR 218 Shakespeare	3	ENGLIT 0580 Intro to	3

		Shakespeare	
--	--	-------------	--

**Music and Art** (any **one** of the following)

<b>CCBC Course</b>	<b>Credits</b>	<b>Pitt Course</b>	<b>Credits</b>
FINE 101 Art History I	<b>3</b>	N/T	
FINE 102 Art History II	<b>3</b>	HA&A 0010 Introduction to Art	<b>3</b>
<b>Note:</b> FINE 101 and 102 together transfer as HA&A 0010 for 3 credits			
FINE 110 Drawing	<b>3</b>	SA 0130 Foundation Drawing	<b>3</b>
FINE 210 Design	<b>3</b>	SA 0110 Foundation Design	<b>3</b>
FINE 225 History of American Art	<b>3</b>	HA&A 0501 American Art	<b>3</b>
MUSI 101 Intro to Music	<b>3</b>	MUSIC 0211 Intro to West. Art Mus	<b>3</b>

**Communication**

<b>CCBC Course</b>	<b>Credits</b>	<b>Pitt Course</b>	<b>Credits</b>
COMM 201 Public Speaking	<b>3</b>	COMMRC 0520 Public Speaking	<b>3</b>

**Philosophy**

Equivalent course work not available at CCBC.

**Social Science** (a minimum of **two** courses from any **two** different fields listed below: Economics, Political Science, Sociology)

<b>CCBC Course</b>	<b>Credits</b>	<b>Pitt Course</b>	<b>Credits</b>
<b>Economics</b>			
BUSM 255 Macroeconomics	<b>3</b>	ECON 0800 Intro to Econ	<b>3</b>
BB 256 Microeconomics	<b>3</b>	ECON 0100 Intro Microecon. Theory	<b>3</b>
<b>Political Science</b>			
POLS 155 American National Government	<b>3</b>	PS 0200 American Political Proc.	<b>3</b>
POLS 102 Modern Political Systems	<b>3</b>	PS 0300 Comparative Politics	<b>3</b>
<b>Sociology</b>			
SOCI 101 Principles of Sociology	<b>3</b>	SOC 0010 Intro to Sociology	<b>3</b>
SOCI 115 Marriage & Family	<b>3</b>	SOC 0438 Sociology & Fam	<b>3</b>
SOCI 210 Contemporary Social Problems	<b>3</b>	SOC 0007 Social Problems	<b>3</b>

**History and Culture** (any **one** of the following)

<b>CCBC Course</b>	<b>Credits</b>	<b>Pitt Course</b>	<b>Credits</b>
ANTH 105 Cultural Anthropology	<b>3</b>	ANTH 0780 Intro to Cult Anthr	<b>3</b>

HIST 101 Western Civ. I	3	HIST 0100 West Civ. 1	3
HIST 102 Western Civ. II	3	HIST 0101 West Civ. 2	3
HIST 215 African-Amer Hist	3	HIST 0671 Afro-Americ Hist	3
HIST 111 US History I	3	HIST 0600 US to 1877	3
HIST 112 US History II	3	HIST 0601 US 1865 to Pres.	3
HIST 221 British History: Rom – 1603	3	HIST 1122 Stuart England	3
HIST 222 British History: 1603 - Pres	3	HIST 1123 Modern Britain	3

HIST 206 Civil War: US 1850- 1877	3	HIST 1614 Civil War Hist	3
HIST 210 America & World: US Foreign Policy 1776- present	3	HIST 0685 US For. Relations	3

### **Psychology**

<b><u>CCBC Course</u></b>	<b><u>Credits</u></b>	<b><u>Pitt Course</u></b>	<b><u>Credits</u></b>
PSYC 101 General Psychology I	3	PSY 0010 Intro to Psych.	3

**Natural Sciences** (a minimum of three courses is required. Two **must** follow a sequence and the third **must** be from a different science field).

### **Sequences**

<b><u>CCBC Course</u></b>	<b><u>Credits</u></b>	<b><u>Pitt Course</u></b>	<b><u>Credits</u></b>
BIOL 101 General Biology 1	4	BIOSC 0150 Found. of Bio 1	4
BIOL 102 General Biology 2	4	BIOSC 0160 Found. of Bio 2	4
CHEM 101 General Chem 1	4	CHEM 0110 General Chem 1	4
CHEM 102 General Chem 2	4	CHEM 0120 General Chem 2	4
PHYS 101 College Physics 1	4	PHYS 0110 Intro to Phys 1	3
PHYS 102 College Physics 2	4	PHYS 0111 Intro to Phys 2	3

### **Single**

<b><u>CCBC Course</u></b>	<b><u>Credits</u></b>	<b><u>Pitt Course</u></b>	<b><u>Credits</u></b>
BIOL 110 Human Ecol & Heredity	3	BIOSC 0800 Bio for Non-Maj 1	3
PHYS 105 Physical Science	3	PHYS 0081 Ideas of Mod. Phys	3

In addition, we recommend that you complete some introductory courses in computer programming, for example:

CIST 160 Visual BASIC I	BD 212 Visual C
-------------------------	-----------------

# **School of Nursing**

Two categories of students may be qualified to apply to the University of Pittsburgh **School of Nursing**. The GN/RN applicant or a student currently enrolled and taking classes in a college or university, who desires a Bachelors of Science in Nursing (BS) degree.

The **RN Options** curriculum is designed for registered nurses, who obtained their nursing education through either a diploma or an associate degree program, to complete their nursing education with a Bachelor of Science in Nursing (BSN). It also offers an opportunity to obtain an early admission to graduate nursing education. Admission criteria include possession of a current PA RN license, GPA of 3.3 or better in previous nursing education, completion of the application, which can be found online at <https://app.applyyourself.com/?id=up-nurs>, brief essay, current resume, three letters of professional recommendation, official transcripts from all schools attended, and a formal interview. For more information about the RN Options program please go to the website [http://www.nursing.pitt.edu/academics/rn\\_options.jsp](http://www.nursing.pitt.edu/academics/rn_options.jsp). For RNs, it is recommended to set up an individual appointment with the Associate Director, Recruitment by calling 412-624-4586.

The **pre-licensure student** interested in obtaining the nursing education that leads to a Bachelors of Science in Nursing (BSN) degree, and eligibility to take the National Council Licensure Examination (NCLEX) to become a register nurse (RN), my apply to the School of Nursing. Admission to the School of Nursing is very competitive. If a transfer student has less than twenty-four (24) college credits at the time of application, admission will be based, in part, on the college academic record and on the high school academic record. If a transfer student has more than twenty-four (24) college credits at the time of application, admission will be based on the college record. All applications will be reviewed and decisions will be made based on the student's academic success and consideration of the number of seats available in the class. A 3.0 GPA or better from previous institution is required for applicant to be considered. As a transfer applicant you must have successfully completed a general chemistry course with a lab at either the high school or college level, preferably with a B or better.

Admission to the School of Nursing for all transfer students is to the freshman class. It will usually take four (4) additional years to complete the nursing program once admitted unless admission to the sophomore year is granted. A limited number of spaces are available at the sophomore level and admission for these seats is very competitive. Admission decisions for these spaces are made separately, subsequent to admission to the freshman class. Once you have been admitted to the freshman class, your records will be reviewed for your eligibility to be considered for a sophomore space. Students interested in admissions to the sophomore level must have completed at least 24 credits prior to enrollment. You can begin to fulfill the liberal arts and the elective requirements while at another institution, thereby reducing the credit load for some terms. General Writing, Psychology, Sociology, Culture (Anthropology, History, etc.), Public Speaking, Statistics, Creative Expression and/or general electives are recommended courses. Courses need to be of a 0100 level or greater and a "C" grade or better needs to be obtained for course credit transfer.

The following courses marked with an asterisk(\*) must be included in these credits, and classes that may be completed for this coursework at CCBC are noted – with suggestions for classes that will meet the requirement for sophomore status eligibility. Other coursework noted for Freshman year are the liberal arts and the elective requirements mentioned earlier.

## School of Nursing Curriculum

### FRESHMAN YEAR

FALL TERM		
At PITT: Courses	Credits	At CCBC: Courses
*CHEM 0910 Chemistry for the Health Sciences	4	CHEM 101 & 102 and CHEM 105
*NUR 0012 Human Anatomy and Physiology 1	3	BIOL 201
*NUR 0002 Nursing Anatomy and Physiology 1 Lab	1	Lab required
English Composition	3	WRIT 101 OR WRIT 102
Psychology	3	Any Psych course
Sociology	3	Any Sociology course
<b>Total</b>	<b>17</b>	

SPRING TERM		
At PITT: Courses	Credits	At CCBC: Courses
*ORBIOL 0031 Microbiology 1	4	BIOL 215 (lab required)
*NUR 0013 Human Anatomy and Physiology 2	3	BIOL 202
*NUR 0003 Nursing Anatomy and Physiology 2 Lab	1	Lab Required
*PSYED 0005 Life Span Development	3	PSYC 106
NUR 1056 Nursing Informatics	3	NA
NUR 0051 Introduction to Professional Nursing	3	NA
<b>Total</b>	<b>17</b>	

<b>OTHER LIBERAL ARTS COURSES</b>		
<b>Pitt Course:</b>	<b>CREDITS</b>	<b>At BCCC you may take:</b>
Anthropology/American/Foreign History or Culture	3	Any history, American or foreign culture course above 100 level
Statistics	3	MATH 135
Speech	3	COMM 201

Certain aspects govern the advanced credits allowed for transfer courses. After admission to the School of Nursing, an official transcript of courses taken in other accredited universities or colleges must be submitted to the University of Pittsburgh – School of Nursing Student Services Office, Room 239 Victoria Building, Pittsburgh, PA 15261. When requested, course descriptions or course outlines must be submitted to Student Services to determine course equivalency at the University of Pittsburgh. The credit transferred for any course can be no greater than the credit given at the University of Pittsburgh. Only courses with letter grades of “C” or better may be transferred. Science courses must have been taken within the last eight years with a grade of B or better unless there have been unusual circumstances.

**IMPORTANT:** As you plan your coursework at CCBC in preparation for transfer to the School of Nursing, keep in mind that the nursing curriculum at the University of Pittsburgh does allow for a limited number of general electives in history, American or foreign culture, art, music, literature, math, and philosophy at the 100 level or above. Please consult with the Associate Director of Recruitment in the Office of Student Services in the School of Nursing prior to course selection either by phone at 412-624-1291 or email at [mschuber@pitt.edu](mailto:mschuber@pitt.edu) or you can make an individual appointment by calling 412-624-4586.

# School of Pharmacy

The **School of Pharmacy** offers a four-year professional pharmacy program leading to the Doctor of Pharmacy Degree (PharmD). The program is six years in length and configured in a program of study that requires two years of pre-professional courses and four years (nine terms) of professional courses.

Applicants for admission to the School of Pharmacy must be eligible for admission to the University and have successfully completed, or be in the process of completing, all prerequisite mathematics and science subjects no later than the spring term of the year of admission. All other pre-professional courses must be completed prior to the fall entry into the professional program. All courses must be taken for a letter grade.

The minimum requirements for consideration for admission to the School of Pharmacy's professional program are:

1. Completion of the pre-pharmacy requirements
2. Quality point average of 3.0
3. Completion of the [PharmCAS](#) Application and application fee
4. Completion of the School of Pharmacy Supplemental Application and fee
5. Submission of the PCAT scores

The application process consists of 2 parts. Both parts are required. Pharmacy College Application Service ([PharmCAS](#)) Application - due in **December**. The supplemental application process must be completed and submitted in **January** to be considered for Fall admission. Please visit [www.pharmacy.pitt.edu/Programs/PharmD/application/step2.html](http://www.pharmacy.pitt.edu/Programs/PharmD/application/step2.html) for information on the deadlines and applications.

**Office of Student Services**  
**School of Pharmacy**  
**904 Salk Hall**  
**Pittsburgh, PA 15261**  
**412-383-9000**  
<http://www.pharmacy.pitt.edu/>

*Below is the recommended distribution of courses for the first two years (pre-professional) of study toward the Doctor of Pharmacy Degree (PharmD):*

<b>First Term</b>	<b>Third Term</b>
Biology I (3 credits)	Organic Chemistry I (3 credits)
Biology I lab (1 credit)	Organic Chemistry I lab (1 credit)
General Chemistry I (3 credits)	Statistics (4 credits)
General Chemistry I lab (1 credit)	Introduction to Psychology (3 credits)
Calculus (4 credits)	Electives (see below for suggestions)
English composition (3 credits)	
<b>Total Credits: 15 or 16</b>	<b>Total credits: 17</b>

<b>Second Term</b>	<b>Fourth Term</b>
General Biology II (3 credits)	Organic Chemistry II (3 credits)
General Biology II lab (1 credit)	Organic Chemistry II lab (1 credit)
General Chemistry II (3 credits)	Electives (see below for suggestions)
General Chemistry II lab (1 credit)	
English composition	
Economics (micro or macro or intro)	
<b>Total Credits: 14</b>	<b>Total Credits: 12</b>

*Distribution of Electives should be as follows:*

**Humanities** (6 credits from two different departments, such as Africana Studies, Classics, Communication, English, History of Art and Architecture, Foreign Language, Music, Philosophy, Religious Studies, Studio Arts, and Theatre Arts)

**Social Sciences** (6 credits from two different departments, such as Anthropology, Economics, Geography, History, Political Science, and Sociology)

**Plus**, 6 additional credits selected from Humanities, Social Sciences, Psychology, or History and Philosophy of Science

# School of Social Work

To transfer to the Bachelor of Arts in Social Work major in the **School of Social Work**, a minimum Quality Point Average of 2.0 (based on 4.0) is required and you must have completed a minimum of 60 credits, distributed as follows:

**Humanities** - 9 credits in classes such as Communications, Foreign Languages, Literatures, Philosophy, Music, and Theatre Arts

**Social Sciences** - 9 credits in classes such as Anthropology, Black Studies, Economics, History, Political Science, and Sociology

**Natural Sciences** - 9 credits in classes such as Biological Sciences, Chemistry, Computer Science, Geology and Planetary Science, Physics, and Psychology

**Other Courses** - preferably in the social sciences (33 credits)

Students who are seeking to transfer must submit a transfer application to:

**University of Pittsburgh**  
**Office of Admissions and Financial Aid**  
**4227 Fifth Avenue**  
**Alumni Hall**  
**Pittsburgh, PA 15260**

Transfer students must submit official transcripts of all courses taken at post-secondary educational institutions, colleges, universities, etc., whether or not it is intended that such credits be counted towards a degree at the University of Pittsburgh. To be accepted, credits must be evaluated and approved by the BASW program director, or his or her designate, in consultation with the Associate Dean for Academic Affairs. If the student is admitted to the program, the advanced-standing credits are not used for future computation of the QPA.

All credits eligible for advanced standing are subject to the following limitations:

- ◆ Credits earned by the student at another institution will be accepted only if the quality of the credits earned is at least a C grade or better, per University of Pittsburgh Transfer Credit Policy.
- ◆ Academic credit for field work will be awarded only for field work completed at an undergraduate social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- ◆ Courses for which credit is sought must correspond with those offered by the University of Pittsburgh in objectives and content, as explicated in the University of Pittsburgh's [The Pitt Connection](#).

- ◆ The number of credits reduced or granted for a given course can neither exceed the number on the official transcript from the School where they were earned, nor the number earned in the corresponding course at the University of Pittsburgh.
- ◆ No transfer credits can be part of the final thirty credits required for the BASW degree. The final thirty credits must be earned in residence at the University of Pittsburgh.
- ◆ All transfer credits are subject to re-evaluation if and when the student transfers from one school to another within the University of Pittsburgh.
- ◆ Not more than 90 credits may be transferred from four-year schools and no more than 60 credits can be transferred from two-year schools. This decision is made on the basis of the last school attended, according to the University of Pittsburgh Transfer Credit Policy.
- ◆ If a course for which transfer credit has been awarded is repeated, the transfer credit is cancelled and the student must enroll in another course to make up those transfer credits.
- ◆ Transfer credits awarded by the University of Pittsburgh's College of General Studies from the College Level Examination Program (CLEP) will be accepted consistent with the aforementioned policies.
- ◆ Transfer credits awarded by the University of Pittsburgh's College of Arts and Sciences for advanced placement will be accepted consistent with the aforementioned policies.
- ◆ Consistent with the Council on Social Work Education's Educational Policies and Accreditation Standards, the School of Social Work's BASW Program does not grant transfer credits or exemptions for prior life or employment experience.
- ◆ Transfer credits for liberal arts courses in which the student has received a C grade or better do not have a statute of limitations, though the BASW Program reserves the right not to accept liberal arts courses for transfer if the content is deemed outdated.
- ◆ Transfer credit for social work courses in which the student has received a C grade or better must have been completed within the previous seven academic calendar years at a social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- ◆ Transfer credits will be calculated by the Student Services Specialist assigned to the BASW Program, and included in the student's permanent record prior to registration for the Spring Term following the student's matriculation into the BASW Program.
- ◆ A student may appeal a negative ruling regarding transfers credit to the Academic Review and Academic Integrity Committee, following the procedures described in the [Student Handbook](#) for filing student grievances.

Applicants will be evaluated on:

- A. Overall academic record
- B. Three letters of reference
- C. Individual response to a three-part question

For an admissions application and supplemental materials, contact the Office of Admissions and Financial Aid.
