

The HACCC/Pitt Connection Transfer Guide

**Office of Admissions and Financial Aid
University of Pittsburgh
10/21/2009**

Dear Prospective Transfer Student,

Greetings, and welcome to the online version of the ***HACC/Pitt Connection Transfer Guide***.

I hope that you find it to be a useful tool as you plan your academic program in anticipation of your successful transfer from HACC to the University of Pittsburgh. I also encourage you to work closely with both your Transfer Counselor at HACC and the Office of Admissions and Financial Aid at Pitt as you plan your coursework.

We look forward to your becoming a member of the University of Pittsburgh community and to working with you as you pursue your academic and professional goals.

Good luck with your studies at HACC, and remember to keep in touch as you progress toward your transfer to the University of Pittsburgh.

Best Wishes,

Colleen O'Neil
Transfer Counselor
Office of Admissions and Financial Aid

Using The Pitt Connection Transfer Guide

The **Pitt Connection Transfer Guide** is a resource designed to assist you with:

- **Planning** your HACC coursework
- **Maximizing** the number of credits you can earn at HACC
- **Learning** important information about academic requirements at Pitt

It is divided into several sections. First, you should familiarize yourself with the University's **General Transfer Policies**. Next, the **Bachelor of Arts and Bachelor of Sciences School of Arts and Sciences Degree Requirements** section includes a **worksheet** that you can use to keep track of the courses that you have completed that will satisfy those requirements at Pitt.

The section on **Transferable Courses** contains an alphabetical listing of all the community college courses that will transfer to Pitt. The HACC course is listed in the first column, its Pitt equivalent (if one exists) is in the second and third columns, the number of credits it will transfer as is in the fourth column, and the specific Pitt graduation requirement (**Foundational Skills, Disciplinary Approaches, or Elective**) that it satisfies is in the fifth column. Use this section in conjunction with the **worksheet** to chart your progress.

There are also sections that include information about transfer to **the College of Business Administration, College of General Studies, and the Schools of Education, Engineering, Health and Rehabilitation Sciences, Information Sciences, Nursing, Pharmacy, and Social Work**.

IMPORTANT: The provisions and contents of this document are subject to change at any time at the University's sole discretion. It is intended to serve only as a general source of information about the University and is in no way intended to state or imply contractual terms.

School of Arts and Sciences

General Transfer Policies

The **School of Arts and Sciences** offers the degrees of Bachelor of Arts and Bachelor of Science. All natural science majors are awarded Bachelor of Science Degrees. If you complete a major outside the natural sciences, you will be awarded the Bachelor of Arts Degree.

GENERAL GUIDELINES FOR CREDIT TRANSFER TO Arts and Sciences: All credits available for transfer are subject to the following guidelines.

1. Only courses that have reasonable counterparts in the School of Arts and Sciences curriculum are eligible for transfer (see guideline 6 for exception).
2. The number of credits granted for a given course cannot exceed the number on the transcript from the school where they are earned, nor, usually, can it exceed the number earned in the corresponding course in the School of Arts and Sciences.
3. No transfer credits can be part of the final 30 required for a degree. These must be earned in residence. In interpreting this regulation, credits earned on regional campuses are considered as transfer.
4. All transfer credits must have been earned within 12 years of the date when the Arts and Sciences degree requirements will be completed.
5. All transfer credits are subject to re-evaluation if and when you transfer from one school to another within the University of Pittsburgh.
6. A maximum of 18 non-School of Arts and Sciences credits may be counted in the minimum of 120 required for graduation.
7. If another school at Pitt transfers a class, it can be transferred to Arts and Sciences in the non-AS category. A minimum of 18 credits in this category can count towards graduation.
8. At least 50 percent of the credits required in your major subject must be earned in Arts and Sciences
9. Not more than 60 credits may be transferred from a two-year college. No more than 90 may be transferred from a four-year college. If 60 or more credits have been earned at a four-year school, no transfer credit will be granted for credits earned subsequently at a two-year school.
10. If a course for which advanced-standing credit has been granted is repeated, the advanced-standing credit is canceled.
11. Course work earned in approved foreign study programs may not constitute more than 15 of the final 30 credits. These credits are awarded on a Satisfactory/Audit basis. In addition, 30 of

the last 60 credits must be earned in residence.

CLEP: CLEP (Credit for Life Experience) credits do not transfer to the School of Arts and Sciences; however, if you feel you could pass a test in a certain subject for credit, consider **Credit by Examination**. With **Credit by Examination**, students may earn credits toward graduation by taking a special examination. Each test for credit by examination must be arranged with the department offering the course for which credit is desired. The examination must be in a specific course offered by the Faculty of Arts and Sciences. Departments set their own policies as to the specific courses for which students may request credit by examination, the time and type of examination, and the number of courses among those required for the major for which credit may be earned for examination. Normally, the examinations are administered in September.

GUIDELINES AND SUGGESTIONS FOR STRUCTURING YOUR CURRICULUM:

The structure of a degree from Arts and Sciences varies depending on your major and how many classes you need to take to fulfill skills and graduation requirements. Typically, Skills and General Education requirements fill from 51 to 68 of the 120 credits required for a degree, and your major, from 30 to 82 credits.

If you wish to transfer to the School of Arts and Sciences at Pitt in the future, we suggest that you concentrate on the following at your present college:

1. Satisfy the Skills requirements, ie, Composition, Algebra, Foreign Language (algebra and general writing **MUST** be completed before transfer to Arts and Sciences)
2. Begin taking comparable courses to meet the General Education Requirements.
3. Begin taking the introductory courses in your expected major.

Bachelor of Arts and Bachelor of Science Arts and Sciences Degree Requirements

The faculty of the School of Arts and Sciences has defined a set of curricular requirements to be satisfied by all Arts and Sciences students. These requirements, which form the foundation of a liberal arts education, are of two types: Foundational Skills and Disciplinary Approaches.

A. FOUNDATIONAL SKILLS REQUIREMENTS: These requirements assist students in developing the skills in writing and quantitative reasoning that provide the foundation for future learning. (Minimum 6 credits)

1. Writing Requirements:

The writing requirement consists of:

- a. Basic Writing _____
- b. Seminar in Composition _____
- c. Writing Intensive courses (2): The W-courses involve a significant amount of writing and are taken by students after they have completed the General Writing requirement. Community College students should take them after they transfer to CAS.

2. Quantitative and Formal Reasoning

- a. Algebra _____
- b. Quantitative _____

B. Disciplinary Approaches (46 Credits)

1. Humanities Requirements:

- a. First Level Literature: _____
- b. First-level Music or Art: _____
- c. Creative Expression/Second Level Literature or Art:

- d. Philosophy: _____

2. Social Science Requirements

a. Social Science: _____

b. History: _____

3. Natural Science Requirements: Three courses in the natural sciences that introduce students to scientific principles and concepts. Students must take courses from at least two different departments.

a. Course one: _____

b. Course two: _____

c. Course three: _____

4. Global Citizenship Requirement

Foreign Language (Two-term sequence of the same language)

a. Level One _____

b. Level Two _____

All Arts and Sciences students are required to demonstrate elementary proficiency in a foreign language in one of the following ways:

- a. Three years of study of a single foreign language in high school, passed with an average grade of C or better over three years.
- b. A score of 450 or better on a CEEB foreign language achievement test. Students should notify the Dean's Office if they qualify for this option.
- c. Completion of the first and second levels of a foreign language at the University of Pittsburgh with minimum grades of C-.
- d. Completion of a second level foreign language course earned at another college with a grade of C or better.

Foreign Culture/International Courses

There are three categories: Regional (R), Comparative (C) and Global (G). At least two of the three categories must be covered with (a), (b), and (c). Category (d) must be a non-western (NW) course, which may overlap with another general education requirement.

a. _____

b. _____

c. _____

d. _____ (Non-Western).

College of Business Administration

The University of Pittsburgh's **College of Business Administration (CBA)** awards the Bachelor of Science in Business Administration (BSBA) degree with majors in:

- Accounting
- Finance
- General Management
- Global Management
- Marketing

CBA is the undergraduate division of the Katz Graduate School of Business. Both Katz and CBA are fully accredited by the Association to Advance Collegiate Schools of Business (AACSB International), the premier accrediting agency for degree programs in business. CBA has consistently been ranked in the top 10% of accredited business programs by *U.S. News and World Reports*.

Transfer Admission to CBA

Admission is available for the Fall (August), Spring (January), and Summer (May) Terms on a rolling basis. To ensure full consideration, please apply as early as possible. The BSBA Program may be completed full-time or part-time, in the daytime or evening.

Transfer Process and Approved Courses

It is recommended that you complete at least 30-45 credits at HACC prior to transferring to CBA. With careful planning, it is possible to transfer up to 60 credits from HACC to CBA. To best prepare for admission to CBA, make sure to take the following courses while you are at HACC:

- MATH 110 Applied Calculus for Business (4 credits)
- ECON 201 Principles of Economics I: Macro (3 credits)
- ECON 202 Principles of Economics II: Micro (3 credits)
- PSYC 101 General Psychology (3 credits)

These courses will transfer to CBA and will be considered heavily in the admissions process. While at HACC, you may also complete courses that fulfill the CBA general education requirements, as well as take approved business courses.

Other requirements that you may choose to complete while at HACC are as follows:

- ENGL 101 English Composition 1 (3 credits)
- Foreign language (if needed, see language requirement) – a two-course sequence
- English literature—one course
- Music/Art—one course
- Philosophy—one course
- Social Science—two courses in two different departments
- Natural Science—two courses
- Foreign Culture—two courses

- Introduction to Business course
- Human Resources Management course
- Principles of Marketing course
- Accounting courses

HACC courses approved to meet these requirements are listed on the following pages.

Admission to CBA

For admission, CBA suggests that community college students earn a cumulative 3.0 GPA or higher. We will also look for a 3.0 or higher average earned in the four required courses previously listed (calculus, macroeconomics, microeconomics, and psychology). CBA calculates the average in these required courses without including the effect of course repeats. The original grade earned will be counted.

When scheduling, remember...

- You must earn a grade of 'C' or better in a course for it to transfer.
- You may need to take other math and/or English courses before taking the calculus and English composition courses listed here. In particular, given that you may need to take several math courses prior to taking calculus, we suggest you begin taking math courses early on (preferably in your first semester). Your performance in math coursework will be an important factor in the admission process. See your advisor for details.
- If you haven't already fulfilled CBA's foreign language requirement with high school coursework (see foreign language section on next page), you may complete it before transferring to Pitt.
- Because of additional requirements in foreign language and study abroad, students pursuing CBA's global management major are advised to plan for transfer to CBA relatively early on, after 30-45 credits for example. Students are encouraged to begin foreign language study while at the community college and to contact CBA Admissions about planning for this major. Completion of the global management major is likely to require 5-6 semesters of enrollment in CBA.

If you have questions about scheduling classes, contact your academic advisor or call CBA at 412. 383.9600.

CBA Skills and General Education Requirements

The HACC courses below are approved to meet the following CBA general education requirements. The requirements fulfilled as well as the Pitt course equivalent is indicated.

Please note: All courses in the following listing transfer to Pitt and meet the CBA requirement indicated. You will notice that “non-equivalent” transfer credit is sometimes awarded (ENGLIT 0000 for example). This means that the coursework transfers, just not as a specific Pitt course. It does fully meet the specified CBA requirement.

Writing Requirement

HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
ENGL 101 English Composition I	3	ENGCOMP 0200 Seminar in Composition	3

Foreign Language Requirement—fulfilled by 3 years of the same language in high school (with a C average or better). Otherwise, levels 1 and 2 of a language in college are required. This is a good requirement to complete before transferring to Pitt. Complete both courses before transferring.

Complete one two-course sequence below.

HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits

*These courses together transfer as one Pitt course.

Allow two terms to complete them.

College of General Studies

The **College of General Studies (CGS)** offers a variety of options leading to a Bachelor of Arts or Bachelor of Science degree. Majors in Administration of Justice, Health Services, Humanities, Legal Studies, Liberal Studies, Media and Professional Communications, Natural Sciences, Public Service, and Social Sciences are offered directly by CGS. Administration of Justice, Humanities and Social Sciences majors are also available on Saturday. A transfer credit agreement has been established between the Criminal Justice program at Harrisburg Area Community College (HACC) and CGS; agreement forms are available from the HACC transfer counselors or from the College of General Studies.

Students interested in an arts and science major in Chemistry, Communications, Computer Science, Economics, English Literature, English Writing, History, History of Art and Architecture, Mathematics, Philosophy, Political Science, Psychology, or Sociology can begin their studies in the College of General Studies, complete requirements for the degree in the evening or Saturday, and graduate from the College of Arts and Sciences (CAS).

Students can also complete prerequisite courses through CGS and qualify for admission to one of seven other University programs: Business Administration, Engineering, Health and Rehabilitation Sciences, Information Science, Nursing, Pharmacy, and Social Work.

CGS is located on the 4th floor of the Cathedral of Learning. You may contact CGS by phone at (412) 624-6600, fax number is (412) 624-3836, or by email at cgs+@pitt.edu.

Requirements for the Degree

Listed below are the requirements for the bachelor's degree in the College of General Studies and the HACC courses which can be used to fulfill these requirements. Students wishing to see a more expanded listing should consult the CCAC/CGS transfer information listed at <http://www.cgspitt.org/prospective-students.cfm>. Articulation agreements and other important information are also listed.

SOC 202	Social Problems
SOC 205	Race and Cultural Relations
SOC 206	Human Development in a Social Environment
SOC 211	Group Dynamics
SOC 226	Perspectives on Aging

Natural Sciences:

Choose three courses total, representing at least two different departments

ANTH 215	Physical Anthropology
ASTR 103	Introduction to Planetary Astronomy
ASTR 104	Introduction to Stellar Astronomy
BIOL 101	General Biology I
BIOL 102	General Biology II
BIOL 103	Environmental Science
BIOL 108	Introduction to Biological Science
BIOL 111	Introduction to Human Biology
BIOL 206	Ecology
BIOL 215	Introduction to Genetics
CHEM 100	Principles of Chemistry
CHEM 101	General Inorganic Chemistry I
CHEM 102	General Inorganic Chemistry II and Qualitative Analysis
CHEM 113	Chemistry for the Non-Scientist
CHEM 203	Organic Chemistry I
CHEM 204	Organic Chemistry II
ENVS 201	Introduction to Environmental Science
GEOG 101	Physical Geography
GOEL 101	Physical Geology
GEOL 102	Historical Geology
GEOL 201	Environmental Geology
METR 101	Weather and Climate
PHSC 113	Introduction to Physical Science I
PHSC 114	Introduction to Physical Science II
PHYS 105	Concepts in Physics
PHYS 201	General Physics I
PHYS 202	General Physics II
PHYS 211	Physics for Engineers and Scientists I
PHYS 212	Physics for Engineers and Scientists II
PSYC 101	General Psychology
PSYC 212	Child Growth and Development

Literature: Choose one course

ENGL 201	Major English Writers I
----------	-------------------------

ENGL 202 Major English Writers II
ENGL 203 Major American Writers I
ENGL 204 Major American Writers II
ENGL 205 World Literature I
ENGL 206 World Literature II
ENGL 207 Introduction to Literature
ENGL 217 Afro-American Literature
ENGL 246 Shakespeare
ENGL 278 American Short Story

History: Choose one course

HIST 101 World History I
HIST 102 World History II
HIST 103 History of the United States I
HIST 104 History of the United States II
HIST 201 Western Civilization I
HIST 202 Western Civilization II

International Perspective: Choose two courses

ANTH 205 Cultures of the World
ARAB 101 Elementary Arabic I
ARAB 102 Elementary Arabic II
ARCH 121 History of Architecture I
ART 181 Art Through the Ages (Cave to 1300)
ART 182 Art Through the Ages (1300 to 20th Cent)
ART 183 Modern Art
CJ 130 International and Domestic Terrorism
FRCH 101 Elementary French I
FRCH 102 Elementary French II
FRCH 201 Intermediate French I
FRCH 202 Intermediate French II
GP 205 International Relations
GP 208 Comparative Politics
GRMN 101 Elementary German I
GRMN 102 Elementary German II
GRMN 201 Intermediate German I
GRMN 202 Intermediate German II
HIST 101 World History I
HIST 102 World History II
HIST 201 Western Civilization I
HIST 202 Western Civilization II
HUM 114 Chinese Arts and Culture
HUM 115 Architecture: Aesthetics and History
MUS 104 Introduction to World Music

SPAN 101	Elementary Spanish I
SPAN 102	Elementary Spanish II
SPAN 201	Intermediate Spanish I
SPAN 202	Intermediate Spanish II

Courses may also be taken at HACC to fulfill CGS major requirements and transferred courses not used in the categories above may be used as electives. Normally a maximum of 60 credits, graded C or better, can be transferred; if CLEP credits are used, a combination of CLEP and HACC credits cannot exceed 60.

Major Programs in CGS

Multi-disciplinary majors

Say you're interested in history, but you want a broader major that also includes legal studies and political science. With a multi-disciplinary major, you can study a general area instead of a specific major. Instead of drawing your major courses from one department, you can choose courses from three departments within the central theme.

Multidiscipline programs give students more control and more choices in the courses they take to complete their major. They also allow you to gain several points of view regarding a central subject matter. To satisfy each of these programs students can choose courses from departments within the central theme, with one of the departments representing a majority of the coursework.

Multi-disciplinary majors:

Humanities (BA)

Choose courses from three of the following departments: Africana studies, classics, communication, English, German, history of art and architecture, linguistics, music, philosophy, religious studies, Spanish, studio arts, theatre arts.

Pre-education Option - This major can incorporate all of the prerequisite coursework needed for admission into the certificate program in Comprehensive English Education in Pitt's School of Education. This option may be used by students interested in the Professional Year or the Master of Arts in teaching programs offered in the School of Education. Completion of the prerequisites does not guarantee acceptance.

Legal Studies (BA)

This interdisciplinary course of study combines the theories and methods of several social science disciplines and law. It is not designed as a pre-law program; its goal is to enable you to develop an understanding of the nature, content, and operation of American law and legal institutions. Courses in the legal studies major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). Participating faculty members include attorneys practicing in fields of law ranging from criminal prosecution and defense, to environmental law, consumer law, and family law.

Students with QPA of 3.5 or better planning to pursue graduate work may want to consider one of the following early admission options. To students who qualify, the Graduate School of Public and International Affairs offers the five-year [BA/MA program](#). Students pursuing a Legal Studies major may obtain the Master of Studies in Law (MSL) degree in a joint program in which credits obtained in the MSL program also count toward the bachelor's degree.

Liberal Studies (BA)/School of Education Certification Program

The College of General Studies and the School of Education have collaborated on a curriculum under the liberal studies program that incorporates all of the prerequisite coursework needed for admission into the Instructional 1 Certification programs in Early Childhood Education and Elementary Education . These options may be used by students interested in the Professional Year or the Master of Arts in Teaching programs offered in the School of Education. Completion of the prerequisites for the School of Education does not guarantee acceptance to their programs. See an academic advisor for specific requirements.

Natural Sciences (BS)

Choose courses from three of the following departments: anthropology, astronomy, biological sciences, chemistry, geology and planetary science, history and philosophy of science, neuroscience, physics, psychology.

Pre Education Option - This major can incorporate all of the prerequisite coursework needed for admission into the certificate programs in Earth and Space Science and General Science. This option may be used by students interested in the Professional Year or the Master of Arts in teaching programs offered in the School of Education. Completion of the prerequisites does not guarantee acceptance.

Pre-Medicine Option - This natural sciences concentration incorporates the course work needed for admission to most medical and dental programs. Completion does not guarantee acceptance into graduate study.

Self-Designed (BA or BS)

The Self-Designed major enables highly motivated nontraditional students to pursue a unique program of studies for compelling professional or academic reasons. The self-designed major

must be multidisciplinary, including courses from more than two departments or schools. It must have the same academic quality as existing CGS majors, and it must be substantially different from CGS majors. **Faculty approval is required.**

Social Sciences (BA)

This major can be customized to meet your personal interests and career goals. Choose courses from three of the following departments: Africana studies, anthropology, economics, history, Jewish studies, legal studies, political science, psychology, religious studies, sociology, urban studies, women's studies.

Professional Majors:

In addition to the multidisciplinary programs that are available, the College of General Studies offers professional major programs. Although these are still liberal arts majors, they are more specific in nature and are tailored to a particular course of study or career. For each of these programs, a minimum of at least 30 credits is required in the specific discipline.

Administration of Justice (BA)

Develop your understanding of the evolution, theory, structure, functioning, and process of change in the system of American criminal justice. Choose one of these three specialized areas: Adult and Juvenile Corrections, Law Enforcement Practice, or Forensics. Courses in the administration of justice major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). Participating faculty members include attorneys, prison administrators, judges, law enforcement officials, and criminal justice researchers. GSPIA also offers a five-year [BA/MA program](#) to students who qualify.

Dental Hygiene (BS *degree completion only)

If you have graduated from an accredited dental hygiene program, this major provides you with the opportunity to complete a Bachelor of Science degree. [Articulation Agreements](#) have been established between the College of General Studies and the Dental Hygiene Certificate Program with five area community colleges for degree completion for licensed dental hygienists.

Health Services (BA)

Our Health Services major is designed to build communication, management, analytical, and leadership skills, while relating all to the health services field. You can choose one of two tracks in this interdisciplinary course of study:

Managing Health Services Programs and Projects gives students key administrative and business skills with an emphasis on grant and research project management.

Community Health Assessment provides an understanding of the physical, social, and behavioral factors influencing health.

Health Services (BS)

This major is for health professionals who have completed professional training and would now like to earn a Bachelor of Science degree. Recognition for the professional training you received, including specific transfer credit agreements with community colleges, provide the foundation of your degree.

Media and Professional Communications (BA)

This major features a dual emphasis on providing students with a rigorous education in the theories of mass media process, history, and ethics, as well as the opportunity to specialize in one of three professional practice areas: Corporate/Community Relations, Writing for the Professions, or Digital Media. The three tracks are designed to strengthen both the knowledge base and proficiencies of students pursuing careers in communications fields, such as print, television, radio, film, new media, or corporate/organizational communications. This program will also benefit students pursuing careers in a variety of industries in which communication with internal and external publics is critical.

Public Services (BA)

This major prepares students for careers that are focused on the resolution of public problems or the delivery of public services at the local, state, national, or international level. Students take a common core and then choose one of three concentration areas: Public Administration, Nonprofit Management, or a self-designed concentration. Courses in the Public Service major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). GSPIA also offers a five-year [BA/MA program](#) to students who qualify.

School of Education

Applied Developmental Psychology

The Bachelor of Science in Applied Developmental Psychology is offered through the School of Education. Entrance to the program is at the junior year level, Fall Term, full or part-time, after earning a minimum of 60 college semester credits, including the following prerequisite classes:

Prerequisites:

- English Composition (equivalent to the University of Pittsburgh general writing requirement) - 3 cr.
- Developmental Psychology (or equivalent) - 3 cr.
- Other courses broadly distributed in humanities, social sciences, and natural sciences.

For more information, please visit the Applied Developmental Psychology website at <http://www.education.pitt.edu/adp/index.aspx> or call 412-624-0306.

Health and Physical Activity

The Bachelor of Science in Health and Physical Activities offers two areas of specialization – Exercise Science and Wellness. Students can enter these School of Education programs at the junior year level, Fall Term, full or part-time, after earning a minimum of 60 college semester credits, including the following prerequisite classes:

Prerequisites:

- English Composition (equivalent to the University of Pittsburgh general writing requirement) - 3 cr.
- Other courses broadly distributed in humanities, social sciences, and natural sciences.
- First level Biology, Chemistry, Physics, and Intro to Psychology or three out of the four.

For more information, you may visit the website at <http://www.education.pitt.edu/hpaprogram/> or call (412) 648-8320.

Teacher certification for elementary and secondary education are post-baccalaureate programs that are completed in the **School of Education** in the fifth year, or after the student earns his or her bachelor's degree from the College of Arts and Sciences or from another accredited institution. A Master of Arts in Teaching (MAT) option is also available.

An Education advisor can augment the work of the advisor in your major by recommending courses that fulfill both general CAS requirements and prerequisites for the teaching program. The advisor in Education can also evaluate transcripts from other schools for students hoping to transfer to the University of Pittsburgh.

For additional information on prerequisites and other details about programs in Education related to Teacher Certification, you may call (412) 648-2283.

School of Education
5500 Wesley W. Posvar Hall

Swanson School of Engineering

Transfer applicants to the **Swanson School of Engineering** must indicate a specific major. The available engineering majors are:

- Bioengineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Engineering Physics
- Engineering/SAS Joint Degree
- Industrial Engineering
- Materials Science
- Mechanical Engineering

The **Swanson School of Engineering** curriculum is highly structured from the freshman through the senior year. We recommend that you follow the curriculum closely, as only courses that are an integral part of your proposed degree program and for which you've earned a "C" grade or better will be considered for transfer. No more than 60 credits will be accepted for transfer from a community college.

Students with a cumulative grade point average of 2.8 or better will be considered for admission to the Swanson School of Engineering. Bioengineering applicants need a cumulative GPA of 3.5 or higher. Transfer students are admitted within the limit of spaces available in the individual departments. You are advised to follow the freshman curriculum outlined on the following pages.

For additional information, please feel free to contact the Swanson School of Engineering at 412-624-9825.

Swanson School of Engineering Curriculum

FRESHMAN YEAR

First Term		
Pitt Course:	Credits	At HACC you take:
MATH 0220: Analytic Geometry and Calculus 1	4	MATH/121
Humanities or Social Science* Elective	3	See course equivalents
CHEM 0960: Chemistry for Engineers I	3	CHM/101
PHYS 0174: Physics for Science and Eng. I	3	PHYS/211
ENGR 0011: Engineering Analysis #	3	NE
ENGR 0081: Freshman Seminar	0	NE

Second Term		
Pitt Course:	Credits	At HACC you take:
MATH 0230: Analytic Geometry and Calculus 2	4	MATH/122
Humanities or Social Science Elective*	3	See course equivalents
CHEM 0970: Chemistry for Engineers II	3	CHM/102
PHYS 0175: Physics for Science and Eng. II	3	PHY/212
ENGR 0012: Engineering Computing	3	CSC 135
ENGR 0082: Freshman Seminar	3	NE

SOPHOMORE YEAR#

Pitt Course:	Credits	At HACC you take:
MATH 0240: Analytic Geometry Calculus III	4	MATH/221

#Courses recommended for the sophomore to senior years vary according to the specified major. Consult the [Swanson School of Engineering Bulletin](#) for more information. All engineering programs are subject to change without advance notice. *No more than three humanities or social science electives will be accepted for transfer from a community college.

SWANSON SCHOOL OF ENGINEERING ENGLISH WRITING REQUIREMENT

To ensure that all engineering students attain a reasonable level of competence in writing, the School of Engineering requires students to complete two levels of English writing courses. The two levels include: 1) a basic English *composition* course; and, 2) a course where students will gain *writing experience* in a specific academic subject area. The writing requirement is further explained below.

I. COMPOSITION

All students enrolled in the Swanson School of Engineering are expected to complete the University of Pittsburgh's basic English composition course entitled *General Writing-Intensive* (GWI). However, transfer students have several options.

- A. Engineering transfer students who have prior college-level writing experience may request an assessment of their skill level by either: 1) taking a Writing Placement Test; or, 2) submitting for review two college-level writing samples. An evaluation of the test results/writing samples will determine placement in or exemption from the GWI course.*
- B. Harrisburg Area Community College (HACC) students who have earned a grade of a "C" or better ("C-" is unacceptable) in ENGL 102 will be automatically waived from taking GWI at the University of Pittsburgh (Pitt). HACC students who have not completed ENGL 102 or have earned below a grade of "C" in the course will be required either to take the GWI course or follow the assessment options outlined in paragraph A.
- C. Students with an SAT verbal score of 600 or higher will be waived from taking the GWI at the University of Pittsburgh

II. WRITING EXPERIENCE

In addition to the composition requirement, all engineering students must take one writing course, designated in the University of Pittsburgh course description listings as "WRIT." Students may fulfill the writing experience requirement by taking a course in any area, including but not limited to Humanities, Social Sciences or Natural sciences.

Student's transferring from a community college must take the writing experience course at the University of Pittsburgh; therefore, no such courses will be accepted for transfer from a community college. Students must abide by the writing assessment results and can choose only one of the options. Engineering transfer students should consult with their academic advisors for specific instructions for taking the placement test or submitting the writing samples.

School of Health and Rehabilitation Sciences

The School of Health and Rehabilitation Sciences (SHRS) offers undergraduate majors in Athletic Training, Clinical Dietetics and Nutrition, Communication Science, Emergency Medicine, Health Information Management, and Rehabilitation Science. For admission, a student must have a minimum of 60 college credits including the specific prerequisite courses. Students should apply to the programs in the spring semester of their sophomore year when coursework is in progress. All admissions criteria must be met by the time the program begins in the Fall Term.

General admission criteria includes completion of a minimum of 60 credits, a minimum overall and prerequisite GPA of 2.5 with a grade of C- or better in all prerequisite courses. To be competitive for admission, a higher GPA is recommended/required for most SHRS programs.

Class size is limited and students are encouraged to submit applications early. A University of Pittsburgh Application for Transfer Students as well as the SHRS supplemental information must be completed. We highly recommend an appointment with the SHRS Director of Admissions to discuss the application and admission process.

Application deadlines:

Athletic Training	March 15
Clinical Dietetics & Nutrition	March 15
Rehabilitation Science	March 15
All other programs	Rolling Admissions

For further information:

Web page: <http://www.shrs.pitt.edu>
E-mail: admissions@shrs.pitt.edu
Phone: (412) 383-6558
Fax: (412) 383-6535

Athletic Training

This CAATE-accredited program prepares students for certification by the National Athletic Trainers' Association. The curriculum leads to a Bachelor of Science degree in Athletic Training. Graduates are eligible for careers in a variety of clinical sports medicine settings working with active populations, or for further education at the graduate level conducting research central to the practice of sports medicine. Admission is for the **Fall Term only**. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below. Admissions selections are based upon: overall minimum QPA of 2.5, completion of all prerequisites, personal interview, and personal qualities important for athletic training (i.e. enthusiasm, motivation, positive health habits, strong work ethic and time commitment). Additional requirements include the completion of prescribed observation hours in on-campus, high school and sports medicine clinic facilities under the direct supervision of a certified athletic trainer.

Admission: Fall	
Admission Prerequisites:	At HACC you may take:
Biology with labs-4 credits	BIOL 101
Chemistry with labs-4 credits	CHEM 101
Introduction to Physics-4 credits	PHYS 201
Algebra-3 credits	MATH 103
Statistics-3 credits	MATH 202
Psychology-6 credits	Any six credits of Psychology
Writing/English Composition-6 credits	ENGL 101, 102
Computer Science-3 credits	CIS 105
Public Speaking-3 credits	SPCH 101
Emergency Med. Technician (4 credits)	
Basic Athletic Training/lab-4 credits (must be taken at Pitt)	Must be taken at Pittsburgh Campus
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

Clinical Dietetics and Nutrition

Dietitians are the health professionals who apply scientific knowledge to guide people in selecting foods to meet their health needs. The curriculum offers courses in food and nutrition sciences, nutrition therapy and includes supervised practice experiences that are required for eligibility to take the national registration examination for dietitians.

Admission: Fall Term only	
Admission Prerequisites:	At HACC you may take:
Biology-8 credits	BIOL 101 & 102
Chemistry with labs-8 credits (Labs required)	CHEM 101 & 102
Organic Chemistry-6 credits (Labs not required)	CHEM 203 & 204
Computer Science-3 credits	CIS 105
Economics-3 credits	ECON 201
English Composition-3 credits	ENGL 101
English Writing-3 credits	
Math-3 credits	MATH 103
Intro to Nutrition-3 credits	Course must be approved by SHRS
Public Speaking/Oral Communication	SPCH 101
Psychology-3 credits	PSYC 101
Sociology-3 credits	SOCI 201
Statistics-3 credits	MATH 202

Communication Science Disorders

The Department of Communication Science and Disorders offers a Bachelor of Arts degree in Communication Science. This degree is appropriate for students interested in the professions of speech-language pathology and audiology. Practice in either of these professions requires further graduate study (a two-year master's degree in an accredited program), as well as completion of a clinical fellowship year.

It is recommended that students transfer into the communication science program in the fall term. The courses listed below are the general education requirements for this degree. It is advisable to include as many of these courses as possible in the 60 required credits. Courses not completed before transfer can be taken while fulfilling the remaining degree requirements at SHRS.

Pitt requirement:	At HACC you may take:
Basic Writing (3 credits)	ENGL 101
English Comprehension (3 credits)	ENGL 102
W' Writing courses (2 courses)	(These courses to be taken at U of Pittsburgh after transfer)
Algebra (3 credits)	MATH 102, 103, 104, 105, 119, 210
Quantitative Reasoning (3 credits)	MATH 110, 111, 121, 122, 202
Foreign Language (3 yrs HS, or 2 nd level course at college)	FRCH 102, GRMN 102, JAPN 102, LATN 102, RUSS 102, SPAN 102
Literature (3 credits)	ENGL 201, 202, 203, 204, 205, 206, 207, 247, 265, 268, 269, 278, 279
Music/Art (3 credits) Creative Expression, or 2 nd Lit, or 2 nd Music, or 2 nd Art (3 credits)	ART 181, 182, 183, 184, 185, 187, 188, MUS 119, 201, 202 ART 105, 106, 108, 111, 121, 131, 151, 161, 186, 191, THR 101, 110, 111, 120, 121
Philosophy (3 credits)	PHIL 101, 102, 200, 215, 225
Social Science (3 credits)	ANTH 220, PSY 221, SOCI 201, 202, 206, 226, ECON 201, 202
History (3 credits)	HIST 101, 102, 103, 104, 107, 108, 109, 111, 161, 201, 205, 210, 218, 219, 220, 221
Public Policy, or 2 nd Social Science, or 2 nd History (3 credits)	GP 201, 202, 203 205, 208, HIST 110, 120, 158, MGMT 206, PHIL 200, SOCI 120, 202, 220, 225
Natural Science (9 credits= 3 Physical+ 6 Life, or =6 Physical + 3 Life)	Physical: ASTR 103, 104, CHEM 101, 102, 113, 221, PHYS 201, 202, GEOG 101, 201, GEOL 101, 102, 201 Life: BIOL 101, 102, 121, 122, PSYC 101
International Culture (9 credits-at least one non-western (NW) course)	ANTH 212, GEOG 201, HIST 111, 201, 202, 210 (NW), 221, HUM 113, 114 (NW), 115, 201

Cluster Courses. One course must be from each section (15 credits total)

1. Stats and Measurement MATH 202
2. Biological/Neurological/Cognitive Basis of Communication BIOL 101 and 102
3. Philosophy of Science PHIL 215
4. Sociocultural Studies ANTH 201, 205, PSY 221, SOCI 202
5. Lifespan Development PSYC 209, 211, 212, SOCI 226

Emergency Medicine

This program is designed to prepare students for the technical, clinical and administrative challenges in the EMS professions. The dynamic curriculum provides a strong foundation in clinical experiences, educational expertise and administrative leadership.

Admission: All Terms	
Admission Prerequisites:	At HACC you may take:
General Chemistry with lab-4 credits	CHEM 101
Anatomy and Physiology with lab- Psychology-3 credits	BIOL 121 & 122 PSYC 101
Computer Science, Statistics or Logic-3 credits	CIS 105, MATH 202, PHIL 102
English Composition-6 credits	ENGL 101, 102, 106, 107
Math-3 credits	MATH 100
Public Speaking-3 credits	SPCH 101
Introduction to Nutrition-3 credits	HRIM 104
Biology/Microbiology-3 credits	BIOL 101, 111 or 221
Life Span Development-3 credits	PSYC 209
Ethics-3 credits	PHIL 225
Natural or Social Sciences-9 credits	
EMT with lab	EMS 131

Health Information Management

Graduates of this program develop health record and information systems for patient care, education, research, and reimbursement. The application of information technology throughout the curriculum enhances the student's knowledge of the health care system.

Admission: Fall Term only	
Prerequisites:	At HACC you may take:
English Composition-6 credits	ENGL 101, 102, or 106
Psychology-3 credits	PSYC 101
Biology -3 credits	BIOL 101
Chemistry-3-4 credits	CHEM 101
Mathematics/Algebra-2-3 credits	MATH 103
Statistics-3 credits	MATH 202
Public Speaking-3 credits	SPCH 101
Computer Science-9 credits (must complete a programming course)	CIS 105-110 & CIS 224, CPS 135 or 141
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

Rehabilitation Science

The major in Rehabilitation Science is designed to prepare students for graduate education in areas such as physical therapy, occupational therapy, prosthetics and orthotics, physician's assistance, rehabilitation counseling, wellness and human performance, rehabilitation technology, as well as for graduate and professional studies in other areas of health care.

Admission: Fall	
Admission Prerequisites:	At HACC you may take:
Biology with labs-4 credits	BIOL 101
Chemistry with labs-4 credits	CHEM 101
Physics with labs-4 credits	PHYS 201
Algebra-3 credits	MATH 103 or higher
Applied Statistics-3 to 4 credits	MATH 203
Psychology: General and Developmental-6 credits	PSYC 101 and 209 or 212
English Composition/ Writing Intensive-6 credits	ENGL 102 and 106
Computer Science-3 credits	CIS 105 or CPS 103
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Architecture, Art History, Economics, English Literature/Writing, Foreign Languages, Government and Politics, History, Humanities, Music, Performing or Visual Arts, Philosophy, Religion, or Sociology.

We recommend students interested in graduate health sciences programs should complete any additional prerequisites in biology, chemistry and physics while enrolled in HACC. However, some of these courses can also be completed while enrolled in the Rehabilitation Science program.

School of Information Sciences

The **Department of Information Sciences and Telecommunications** at Pitt offers the Bachelor of Science in Information Science (BSIS), a two-year program that normally begins in a student's junior year. The BSIS program is designed to prepare students to assume professional responsibilities as system analysts and designers, database developers and managers, interactive system designers, information retrieval specialists, and other information related occupations. An education in information science has universal application throughout society— in banking, health care, pharmacy, libraries, judicial systems, communication, education, agriculture, private industry, and governmental agencies.

This transfer packet is designed to help you plan your curriculum at Harrisburg Area Community College (HACC) so that you can achieve maximum transferability of classes and fulfill graduation requirements and/or prerequisite requirements for admission to the BSIS program. We suggest you use it while consulting with the Transfer Counselor at your campus.

SKILLS AND GENERAL EDUCATION REQUIREMENTS

The following list is meant to help you complete some of the skills and general education requirements for the BSIS degree. HACC courses that fulfill these requirements are listed along with SIS equivalencies. A grade of “**C**” or better is required for transferable credits. (Grade requirements exceptions noted below.)

SKILLS REQUIREMENTS

Writing The writing requirement consists of two courses, as listed below.

HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
ENGL 102 English Comp II	3	ENGCOMP 0200 General Writing	3
ENGL 106 Written Bus Com	3	ENGCOMP 0400 Written Prof Com	3

Quantitative The quantitative requirement can be satisfied by **one** of the following courses:

HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
MATH 110 Applied Calc for Bus	4	MATH 120 Business Calc	
MATH 121 Calculus I	4	MATH 0220 Analytical Geo & Calc	4
MATH 125 Discrete Math	3	MATH 0400 Discrete Math Struct	3

Linguistics

Equivalent course work not available at HACC.

GENERAL EDUCATION REQUIREMENTS

Literature (any one of the following)			
HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
ENGL 203 Major Amer Writrs	3	ENGLIT 0570 American Lit Trad	3
ENGL 205 World Lit	3	ENGLIT 0590 Formative Masterp	3
ENGL 246 Shakespeare	3	ENGLIT 0580 Intro to Shakespeare	3
ENGL 265 Women Writers	3	ENGLIT 0360 Women and Lit	3
ENGL 268 Modern Lit	3	ENGLIT 1325 The Modernist Trad	3
ENGL 278 Americ Short Story	3	ENGLIT 0325 Short Story In Context	3
THTR 101 Intro to Theatre	3	THEA 0810 Intro to Dramatic Art	3

Music and Art (any one of the following)			
HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
ART 105 Fund of 2-Dimen Des	3	SA 0110 Foundations Design	3
ART 121 Drawing 1	3	SA 0130 Foundation Drawing	3
ART 161 Sculpture 1	3	SA 0140 Foundation Sculpture	3
ART 181 Art through Ages I	3	HA&A 0010 Introduction to Art	3
ART 183 20th Cent Art	3	HA&A 0030 Intro to Modern Art	3
ART 184 Art of Cinema	3	HA&A 0801 Film Analysis	3
ART 185 Evolution of Cinema	3	HA&A 0820 World Film History	3
ART 186 Hist & Est of Phot	3	HA&A 0470 Photography & Art	3
MUS 109 Group Guitar	3	MUSIC 122 Basic Mus: Class Guitar	3
MUS 119 Music Theory I	3	MUSIC 0131 Prep for Music Theo	3
MUS 201 Hist of Mus I	3	MUSIC 0211 Intro to West. Art Mus	3
THTR 110 Acting I	3	THEA 0830 Intro to Performance	3

Communication

HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
SPCH 101 Effective Speaking	3	COMMRC 0300 Communication Proc	3

Philosophy

Equivalent course work not available at HACC.

Social Science (a minimum of **two** courses from any **two** different fields listed below: Economics, Political Science, and Sociology)

Economics

HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
ECON 201 Princ of Econ I Macro	3	ECON 0110 Intro Macroecon	3
ECON 202 Princ of Econ II Micro	3	ECON 0100 Intro Microecon	3

Political Science

HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
GP 201 Nat. Pol System	3	PS 0200 American Political Proc.	3
GP 205 Internat Relations	3	PS 0500 World Politics	3
GP 208 Comp Government	3	PS 0300 Comparative Politics	3

Sociology

HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
SOCI 201 Intro to Soc	3	SOC 0010 Intro to Sociology	3
SOCI 202 Social Problems	3	SOC 0007 Social Problems	3
SOCI 203 Marriage & Family	3	SOC 0438 Sociology of Family	3
SOCI 226 Perspec on Aging	3	SOC 0475 Sociology of Aging	3

History and Culture (any one of the following)

HACC Course (You Take)	Credits	Pitt Course (Equivalent)	Credits
ANTH 101 Intro to Anthr	3	ANTH 1780 Intro to Anthrop	3
ANTH 201 Social Anthr	3	ANTH 0780 Intro to Cultural Anth	3
ANTH 220 Intro to Archaeology	3	ANTH 0582 Intro to Archaeology	3
HIST 103 Hist of US I	3	HIST 0600 US to 1877	3

In addition, we recommend that you complete some introductory courses in computer programming, such as:

CPS 113 BASIC Programming	CPS 135 C Programming
CPS 141 Pascal Programming	CPS 151 FORTRAN Programming
CPS 162 Computer Science II	CPS 235 Advanced C Programming

School of Nursing

Two categories of students may be qualified to apply to the University of Pittsburgh **School of Nursing**. The GN/RN applicant or a student currently enrolled and taking classes in a college or university, who desires a Bachelors of Science in Nursing (BS) degree.

The **RN Options** curriculum is designed for registered nurses, who obtained their nursing education through either a diploma or an associate degree program, to complete their nursing education with a Bachelor of Science in Nursing (BSN). It also offers an opportunity to obtain an early admission to graduate nursing education. Admission criteria include possession of a current PA RN license, GPA of 3.3 or better in previous nursing education, completion of the application, which can be found online at <https://app.applyyourself.com/?id=up-nurs>, brief essay, current resume, three letters of professional recommendation, official transcripts from all schools attended, and a formal interview. For more information about the RN Options program please go to the website http://www.nursing.pitt.edu/academics/rn_options.jsp. For RNs, it is recommended to set up an individual appointment with the Associate Director, Recruitment by calling 412-624-4586.

The **pre-licensure student** interested in obtaining the nursing education that leads to a Bachelors of Science in Nursing (BSN) degree, and eligibility to take the National Council Licensure Examination (NCLEX) to become a register nurse (RN), my apply to the School of Nursing. Admission to the School of Nursing is very competitive. If a transfer student has less than twenty-four (24) college credits at the time of application, admission will be based, in part, on the college academic record and on the high school academic record. If a transfer student has more than twenty-four (24) college credits at the time of application, admission will be based on the college record. All applications will be reviewed and decisions will be made based on the student's academic success and consideration of the number of seats available in the class. A 3.0 GPA or better from previous institution is required for applicant to be considered. As a transfer applicant you must have successfully completed a general chemistry course with a lab at either the high school or college level, preferably with a B or better.

Admission to the School of Nursing for all transfer students is to the freshman class. It will usually take four (4) additional years to complete the nursing program once admitted unless admission to the sophomore year is granted. A limited number of spaces are available at the sophomore level and admission for these seats is very competitive. Admission decisions for these spaces are made separately, subsequent to admission to the freshman class. Once you have been admitted to the freshman class, your records will be reviewed for your eligibility to be considered for a sophomore space. Students interested in admissions to the sophomore level must have completed at least 24 credits prior to enrollment. You can begin to fulfill the liberal arts and the elective requirements while at another institution, thereby reducing the credit load for some terms. General Writing, Psychology, Sociology, Culture (Anthropology, History, etc.), Public Speaking, Statistics, Creative Expression and/or general electives are recommended courses. Courses need to be of a 0100 level or greater and a "C" grade or better needs to be obtained for course credit transfer.

The following courses marked with an asterisk(*) must be included in these credits, and classes that may be completed for this coursework at HACC are noted – with suggestions for classes that will meet the requirement for sophomore status eligibility. Other coursework noted for Freshman year are the liberal arts and the elective requirements mentioned earlier.

School of Nursing Curriculum

FRESHMAN YEAR		
FALL TERM		
<u>Pitt Course:</u>	<u>Credits</u>	<u>At HACC you may take:</u>
*CHEM 0910-Chemistry for the Health Professions	4	CHEM 100 AND CHEM 200
*NUR 0012 Anatomy & Physiology 1	3	BIOI 121
*NUR 0002 Anatomy & Physiology 1 Lab	1	Lab required
English Composition	3	ENG 101, 102, or 103
Psychology	3	Any Psych. course 100 level or above
Sociology	3	Any Sociology course
Total	17	

SPRING TERM		
<u>Pitt Course:</u>	<u>Credits</u>	<u>At HACC you may take:</u>
*ORBIOL 0031-Microbiology 1	4	BIOL 221 (lab required)
*NUR 0013-Human Anatomy & Physiology 2	3	BIOL 122
*NUR 0003-Nursing Human Anatomy & Physiology 2 Lab	1	Lab required
*PSYED 0005-Life Span Development	3	PSYCH 209
NUR 1056 Nursing Informatics	3	NA
NUR 0051-Introduction to Professional Nursing	3	NA
Total	17	

Anthropology/ American/Foreign Culture	3	Any history, American or foreign culture course above 100
Statistics	3	MATH 203
Speech	3	SPCH 101

Certain aspects govern the advanced credits allowed for transfer courses. After admission to the School of Nursing, an official transcript of courses taken in other accredited universities or colleges must be submitted to the University of Pittsburgh – School of Nursing Student Services Office, Room 239 Victoria Building, Pittsburgh, PA 15261. When requested, course descriptions or course outlines must be submitted to Student Services to determine course

equivalency at the University of Pittsburgh. The credit transferred for any course can be no greater than the credit given at the University of Pittsburgh. Only courses with letter grades of "C" or better may be transferred. Science courses must have been taken within the last eight years with a grade of B or better unless there have been unusual circumstances.

IMPORTANT: As you plan your coursework at HACC in preparation for transfer to the School of Nursing, keep in mind that the nursing curriculum at Pitt does allow for a limited number of general electives in history, American or foreign culture, art, music, literature, math, and philosophy at the 100 level or above. Please consult with the Associate Director of Recruitment in the Office of Student Services in the School of Nursing prior to course selection either by phone at 412-624-1291 or email at mschuber@pitt.edu or you can make an individual appointment by calling 412-624-4586.

School of Pharmacy

The **School of Pharmacy** offers a four-year professional pharmacy program leading to the Doctor of Pharmacy Degree (PharmD). The program is six years in length and configured in a program of study that requires two years of pre-professional courses and four years (nine terms) of professional courses.

Applicants for admission to the School of Pharmacy must be eligible for admission to the University and have successfully completed, or be in the process of completing, all prerequisite mathematics and science subjects no later than the spring term of the year of admission. All other pre-professional courses must be completed prior to the fall entry into the professional program. All courses must be taken for a letter grade.

The minimum requirements for consideration for admission to the School of Pharmacy's professional program are:

1. Completion of the pre-pharmacy core courses
2. Minimum QPA of 3.0, with no grade below "C" in the required courses
3. Completion of the PharmCAS Application and application fee
4. Completion of the School of Pharmacy Supplemental Application and fee
5. Submission of the PCAT scores

The application process consists of 2 parts. Both parts are required. Pharmacy College Application Service (PharmCAS) Application - due in **December**. The supplemental application process must be completed and submitted in **January** to be considered for Fall admission. Please visit www.pharmacy.pitt.edu/Programs/PharmD/application/step2.html for information on the deadlines and applications.

Office of Student Services
School of Pharmacy
904 Salk Hall
Pittsburgh, PA 15261
412-383-9000
<http://www.pharmacy.pitt.edu/>

Below is the list of recommended distribution of courses for the first two years (pre-professional) of study toward the Doctor of Pharmacy Degree (PharmD).

First Term	Third Term
Biology I (3 credits)	Organic Chemistry I (3 credits)
Biology I lab (1 credit)	Organic Chemistry I lab (1 credit)
General Chemistry I (3 credits)	Statistics (4 credits)
General Chemistry I lab (1 credit)	Introduction to Psychology (3 credits)
Calculus (4 credits)	Electives (see below for suggestions)
English composition (3 credits)	
Total Credits: 15 or 16	Total credits: 17

Second Term	Fourth Term
General Biology II (3 credits)	Organic Chemistry II (3 credits)
General Biology II lab (1 credit)	Organic Chemistry II lab (1 credit)
General Chemistry II (3 credits)	Electives (see below for suggestions)
General Chemistry II lab (1 credit)	
English composition	
Economics (micro or macro or intro)	
Total Credits: 14	Total Credits: 12

Distribution of Electives should be as follows:

Humanities (6 credits from two different departments, such as Africana Studies, Classics, Communication, English, History of Art and Architecture, Foreign Language, Music, Philosophy, Religious Studies, Studio Arts. And Theatre Arts)

Social Sciences (6 credits from two different departments, such as Anthropology, Economics, Geography, History, Political Science, Sociology)

Plus, 6 additional credits selected from Humanities, Social Sciences, Psychology, or History and Philosophy of Science

School of Social Work

To transfer to the Bachelor of Arts in Social Work major in the **School of Social Work**, a minimum Quality Point Average of 2.0 (based on 4.0) is required and you must have completed a minimum of 60 credits, distributed as follows:

Humanities - 9 credits in classes such as Communications, Foreign Languages, Literatures, Philosophy, Music, and Theatre Arts

Social Sciences - 9 credits in classes such as Anthropology, Black Studies, Economics, History, Political Science, and Sociology

Natural Sciences - 9 credits in classes such as Biological Sciences, Chemistry, Computer Science, Geology and Planetary Science, Physics, and Psychology

Other Courses - preferably in the social sciences (33 credits)

Students who are seeking to transfer must submit a transfer application to:

University of Pittsburgh
Office of Admissions and Financial Aid
4227 Fifth Avenue
Alumni Hall
Pittsburgh, PA 15260

Transfer students must submit official transcripts of all courses taken at post-secondary educational institutions, colleges, universities, etc., whether or not it is intended that such credits be counted towards a degree at the University of Pittsburgh. To be accepted, credits must be evaluated and approved by the BASW program director or his or her designate, in consultation with the Associate Dean for Academic Affairs. If the student is admitted to the program, the advanced-standing credits are not used for future computation of the QPA.

All credits eligible for advanced standing are subject to the following limitations:

- ◆ Credits earned by the student at another institution will be accepted only if the quality of the credits earned is at least a C grade or better, per University of Pittsburgh Transfer Credit Policy.
- ◆ Academic credit for field work will be awarded only for field work completed at an undergraduate social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- ◆ Courses for which credit is sought must correspond with those offered by the University of Pittsburgh in objectives and content, as explicated in the University of Pittsburgh's [The Pitt Connection](#).
- ◆ The number of credits reduced or granted for a given course can neither exceed the number on the official transcript from the School where they were earned, nor the number earned in the corresponding course at the University of Pittsburgh.
- ◆ No transfer credits can be part of the final thirty credits required for the BASW degree. The final thirty credits must be earned in residence at the University of Pittsburgh.

- ◆ All transfer credits are subject to re-evaluation if and when the student transfers from one school to another within the University of Pittsburgh.
- ◆ Not more than 90 credits may be transferred from four-year schools and no more than 60 credits can be transferred from two-year schools. This decision is made on the basis of the last school attended, according to the University of Pittsburgh Transfer Credit Policy.
- ◆ If a course for which transfer credit has been awarded is repeated, the transfer credit is cancelled and the student must enroll in another course to make up those transfer credits.
- ◆ Transfer credits awarded by the University of Pittsburgh's College of General Studies from the College Level Examination Program (CLEP) will be accepted consistent with the aforementioned policies.
- ◆ Transfer credits awarded by the University of Pittsburgh's College of Arts and Sciences for advanced placement will be accepted consistent with the aforementioned policies.
- ◆ Consistent with the Council on Social Work Education's Educational Policies and Accreditation Standards, the School of Social Work's BASW Program does not grant transfer credits or exemptions for prior life or employment experience.
- ◆ Transfer credits for liberal arts courses in which the student has received a C grade or better do not have a statute of limitations, though the BASW Program reserves the right not to accept liberal arts courses for transfer if the content is deemed outdated.
- ◆ Transfer credit for social work courses in which the student has received a C grade or better must have been completed within the previous seven academic calendar years at a social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- ◆ Transfer credits will be calculated by the Student Services Specialist assigned to the BASW Program, and included in the student's permanent record prior to registration for the Spring Term following the student's matriculation into the BASW Program.
- ◆ A student may appeal a negative ruling regarding transfers credit to the Academic Review and Academic Integrity Committee, following the procedures described in the [Student Handbook](#) for filing student grievances.

Applicants will be evaluated on:

- A. Overall academic record
- B. Three letters of reference
- C. Individual response to a three-part question
